1 QUOTE 170831231310-011-Statement GLW Re Paul Dale p015-\$6,000 & Nicola Gobbo

015

only heard the first bit of the conversation between Carl and Tony before I separated myself from the two of them.

I know that around the time of these meetings Carl paid Paul DALE money for the information that he was providing. I don't know if it was for the Jason MORAN thing or for other information but I know that there was a payment because I gave Carl the money to give to Paul DALE. I think the amount was around six thousand dollars and it came from my pocket.

I know that there were meetings at the Sugar Gum Hotel between the two and I remember taking Carl to a couple of the meetings but I can't remember the dates. There was also no discussion that I can recollect about what was talked about during those meetings.

I know that there were other meetings between Carl and Paul that I was not present at. I know this based on what Carl has told me.

As far as I knew there was no exchange of information between Carl and Paul DALE where Carl informed on criminals. As far as I knew the information went one way and that was from Paul to Carl.

I am also aware that the main way that Carl was told to meet with or contact Paul DALE was through Nicola GOBBO. It would usually be that Nicola would receive a call from Paul asking Carl to call him and Carl would generally contact Paul by phone and at that not one of his phones and it would also be by land line. I was with Carl on a number of occasions when this happened and when the messages were being passed we were seeing Nicola practically every day. Carl would generally call within a couple of days but sometimes it would be a couple of weeks.

I did think it was a bit strange that Nicola was acting as a messenger for Paul to contact Carl and I remember Nicola mentioning to me that she had to go and pick Paul up drunk and speechless from the pub the previous night. Nicola seemed to be going out of her way for him.

2 From the above such as document [170831231310-011-Statement GLW Re Paul Dale p015-\\$6,000 & Nicola](#)
3 [Gobbo](#) (Note the details of [170831231310-011-](#) relates to my scanning device, this when I scanned
4 each document the scanner allocate a certain number as well as that I number consecutive
5 documents. I also may make clear that I provided copies of the electronic file when I returned the
6 hard copies to Roberta Williams. As such she has a record of all scanned material also in
7 electronic format.) it appears to me that Nicola Gobbo attended as a messenger to Mr Carl
8 Williams on behalf of former police officer Paul Dale. As such I view it would have been
9 fraudulent if she had claimed cost against Mr Carl Williams and/or Mr George Williams in
10 regard of those visits. Likewise I view the same might be an issue with other Officers of the
11 Court who as Nicolo Gobbo acted in violation of their position as an Officer of the Court.

12
13 Because it involve Officers of the Court it is the credibility of the administration of justice
14 involving all levels of courts that I view is so to say on trial. How on earth can anyone be
15 prosecutor for CONTEMPT OF COURT when the judiciary as Officers of the court themselves
16 concealed as I understand it relevant details about Nicola Gobbo and by this flaunted the ob
17 ligations of being also Officers of the Court not to undermine or place in disrepute the
18 administration of justice.

19
20 The legal doctrine of “*ex turpi causa non oritur action*” denies any remedy to a litigant
21 (including a prosecutor) who does not come to court with clean hands.

22
23 If your own action is very unlawful and very unethical, if you come to court with “Dirty Hands”
24 best not to question others legality, morality, and ethics!

25
26 As such if the Prosecutor(s) such as the DPP knew about it all but failed to disclose this and by
27 this undermined the administration of justice and placing the administration of justice in
28 disrepute and by the concealment perverted the course of justice and conspired to pervert the
29 course of justice then I view this should first be investigated and those involved held legally
30 accountable (Obviously by a judicial officer who is not also in question as to his/her standing as
31 an Officer of the Court) and their conduct to be placed on record as when they are before the
32 courts the courts will be aware as should be the accused of their past conduct.

33
34 We need to pursue to restore the trust in the administration of justice and this can only eventuate
35 if citizens are made aware that no one is above the rule of law! And anyone who undermines the
36 administration of justice will be held legally accountable regardless what position they may
37 occupy.

38
39 I suspect that ample of police officers who were involved in undermining the administration of
40 justice may have gained in the process promotions and other benefits and I view this should also
41 be taken into consideration that they advanced themselves financially or otherwise by
42 undermining the administration of justice.

Ref: 20190416-G. H. Schorel-Hlavka O.W.B. to Royal Commissioner Margaret McMurdo, AC
Re -SUBMISSION-Supplement 7

THIS SUBMISSION IS PROVIDED FOR PUBLICATION.

Commissioner,

further to my 18-2-2019 submission and 26-2-2019 and 28-2-2019, 1-3-2019, 4-3-2019, 5-3-2019, 28-3-2019 supplements I desire to state the following:

I on 15 April 2019 received 3 emails and responded to them [REDACTED] from Roberta Williams which I view precisely underlines what I submitted in the past that the late Carl Williams, His Father George Williams and Roberta Williams so to say were talked into pleading guilty with the involvement of Nicola Gobbo.

Police failed to get legal advice on Lawyer X arrangement until years after it ended

QUOTE

Key points:

Police secretly recorded Ms Gobbo when she went to court to represent an associate of drug lord Tony Mokbel in 2004

END QUOTE

3
4 I understand from a statement Nicola Gobbo made she claimed “My motivation in assisting
5 police was not for self-gain” as shown in the article:
6 <https://www.abc.net.au/news/2018-12-04/informer-3838-criminal-lawyer-to-police-informant-her-own-words/10579100>

8 **Melbourne gangland lawyer explains why she became a police informant**

9 **QUOTE**

10 My motivation in assisting police was not for self-gain, but was rather borne from the frustration of being aware of
11 prolific large commercial drug trafficking, importations of massive quantities of drugs, murders, bashings, perverting the
12 course of justice, huge money laundering and other serious offences all being committed without any serious inroads
13 being made by police.

14 **END QUOTE**

15
16 Yet I understand from recent media announcements that the police released details that Nicola
17 Gobbo sought reward regarding tony Mokbel.

18 Obviously one has to ask how many other lawyers were informers and claiming reward monies?

19
20 <https://www.abc.net.au/news/2019-02-07/informer-3838-not-only-lawyer-to-turn-victoria-police-informer/10789844>

21 **Lawyers were used as informants last year, prominent gangland barrister claims**

22
23 One has to ask why none were charged so far, and why was neither any police officer charges so
24 far for their involvement?

25
26 <https://www.abc.net.au/news/2019-04-01/police-officer-admits-intimate-relationship-with-lawyer-x/10959990>

27
28 **Nicola Gobbo, aka Lawyer X, had intimate relationship with police officer who first signed her up as informant**

29
30

39
40 In my view each and every transcript of cases Nicola Gobbo and other lawyers who were
41 informers were involved in should be checked if the representation was appropriate of the lawyer
42 involved failed to conduct the representation appropriately. For example a lawyer failing to
43 conduct a proper cross examination, etc.

44
45 It is very clear from the email from Roberta Williams that Nicola Gobbo caused (the now late)
46 Carl Williams, His father (the now late) George Williams and his wife at the time Roberta
47 Williams to plea guilty. Those convictions in my view should all be set aside.

48 It is not for the convicted persons to seek to have such convictions set aside but for the Court to
49 uphold its credibility must do so and leave it up to the Prosecutor to assess if there is any reliable
50 evidence and any justification to recommence any charges against any particular person.

1 Obviously any prosecutor who was aware of any lawyer being an informer also should be
2 charged, at least in my view, for PERVERTING THE COURSE OF JUSTICE, CONTEMPT OF
3 COURT, CONTEMPT IN THE FACE OF THE COURT, etc.

4
5 I spend decades, at least since 1982 conducting a special lifeline service under the motto **MAY**
6 **JUSTICE ALWAYS PREVAIL**® seeking persons who were troubled to pursue through the
7 courts their rights and only to discover that we got lawyers who as Officers of the Court were
8 blatantly abusing their position and it seems Nicola Gobbo being after reward such as with tony
9 Mokbel. I provided my service free of charge. Those kind of lawyers precisely undermined the
10 very work I was doing including avoiding persons to commit heinous crimes against
11 lawyers/judges as some revenge.

12
13 To me it is utter and sheer nonsense to hold that the police didn't know they were acting
14 unlawfully. It is often the same when police officers claim that their cameras were not working
15 when they acted unlawfully but do have it recording when someone else is acting unlawfully.

16
17 In my view the fact that not a single judge so far bothered to charge any of them despite that for
18 many years it was known that some lawyers were as Officers of the Court violating the
19 administration of justice is also beyond me.

20
21 It seems to me that Nicola Gobbo was sexually involved with a number of police officers and
22 this while being a registered informer against her own clients, surely that underlines also the lack
23 of credibility by the police involved besides that of herself?

24
25 In my view the police had a duty, so the prosecutor, to reveal each time to the court of the
26 unlawful involvement of lawyers and yet none did. It means that the very persons who were to
27 uphold the rule of law were abusing it for their own particular gains.
28

32
33 What kind of Ethical standards existed there with the police when they seek to excuse
34 themselves not to have sought legal advice? Surely that is not and never should be accepted as an
35 excuse because if they do not know/understand the basic principles of policing then they
36 shouldn't be in the job. It might question what kind of police training did they initially receive if
37 it didn't result in police officers understanding/knowing what is unlawful in that regard?

38 Did the police simply at all cost pursue criminal activities to end up to get their promotions
39 rather than to respect the rule of law?

31
32 Long before the Lawyer X news broke by the High Court of Australia judgment in 2018 I
33 already questioned in 2017 as to lawyers representing (now the late) Carl Williams and his father
34 (now the late) George Williams as to their failure to deal appropriately with the
35
36 For avoiding to only partly reproduced the email content I hold it better to show in which context
37 they were written.
38
39 If as I all along suspected Carl Williams was talked into pleading guilty of murders he may in
40 fact not have been involved in at all then this means the real murderer so to say got away with it.
41 That is not JUSTICE but rather a manipulation of the legal processes so the police can score a
42 conviction and one then has to ask how often has the police been involved in this kind of
43 manipulation in how many other cases, even if lawyers were not acting in violation of their
44 duties and obligations to the courts?

2 The following are some documents relating to the Victorian Police renegeing on their deal with
3 Carl Williams after he pleaded GUILTY this even so the High Court of Australia in its final
4 appeal made clear that the payments then made were lawful. As such the Victorian Police used a
5 scam to pursue the reclaiming of the monies and as result in the end the grandchild Dhakota lost
6 her Essendon home. Where the convictions were the product of deception by lawyers involved
7 then this should be set aside and the orders by the court to order the sale of the Essendon
8 property to be set aside. It is not just about some property but for Dhakota it is the place she
9 inherited and where also her paternal grandmother lived.

10
11 When it comes to the vicious murder of Carl Williams then considering that the Victorian Police
12 had a motive to get rid of him as they reclaimed, albeit unlawfully, the monies and Nicola Gobbo
13 was reportedly threatened when she was suspected and/or found out to be a police informer
14 against her own client, then I view the motive to silence Carl Williams in the circumstances of
15 various CDs with Carl Williams statements in possession of others may underline that, at least in
16 my view, the informer to the media that resulted to the herald Sun publishing about Carl
17 Williams hours before his vicious death in prison may have been likely, as I suspect, been a deal
18 between the Victorian Police and Nicola Gobbo. This is also why I suspected the police
19 concealed details from the Victorian Ombudsman investigation as to who provided copies of the
20 CD to whomever in the prison. In my view the Coroner should reopen the inquest into the
21 vicious murder of Carl Williams now also with the revelations that Nicola Gobbo was a police
22 informer. Also where there are other issues now in the public domain that were never then
23 canvassed by the Victorian Ombudsman report upon which the coroner relied upon.

24 Also I view that the ATO continuously perverted the course of justice to pursue AVERT when
25 legally not entitled to this. If anything this Royal Commission may assist in is to pursue that
26 lawyers who deceive the courts are harsh dealt with as to be a warning to others not to follow
27 those kind of conduct.
