Subject: Nicola gobbo informant

To the Royal commision , my name is Anastasios Papadopoulos and i was convicted and sentenced to 5 years prison for drug trafficking and was incarcerated from june 2008 to may 2013, Nicola gobbo acted on my behalf as my QC along with Phill Dunn , after all that has now come to light i believe my case was tainted as her role as in informer with the Victoria Polica was unethical at the least, i served my 5 years non parole period then another 3 years 9 months parole and on top of that i was hit with a \$467,000 pecunairy penalty to which ms Gobbo said sign and agree with it and nothing will come of it, well nearly 10 years later and my life is a mess as i am still paying off this fine and am unable to have anything in my name as the government will confiscate it and use it to pay off my debt, i hope this information can be of help and if there is any more information require please let me know and i will promptly email it back to you. Thank you for investigating this disgusting behaviour by someone i trusted and paid a significant amount of money to represent me .

Regards Anastasios Papadopoulos
