ROYAL COMMISSION INTO THE MANAGEMENT

OF POLICE INFORMANTS

Held in Melbourne, Victoria

On Wednesday, 1 May 2019

Led by Commissioner: The	Honourable Margaret McMurdo AC			
Also Present				
Counsel Assisting:	Mr C. Winneke QC Mr A. Woods Ms M. Tittensor			
Counsel for Victoria Police	Mr S. Holt QC Ms R. Enbom Ms K. Argiropoulos			
Counsel for State of Victoria	Ms E. Hilliard			
Counsel for Nicola Gobbo	Mr P. Collinson QC Mr R. Nathwani			
Counsel for DPP/SPP	Ms K. O'Gorman			

1 COMMISSIONER: I think the appearances are as for 10:20:05 10:20:09 2 yesterday. I note that Ms Gobbo is again represented by 3 her legal team, Mr Collinson and Mr Nathwani, and I note 10:20:13 10:20:16 4 that the State of Victoria is presently represented by 5 Ms Hilliard but Ms Button will be appearing later today as 10:20:21 6 well. Yes, thank you. 10:20:28 7 10:20:32 **8** There are a couple of housekeeping matters before we 9 10:20:35

commence. There were some media reports overnight which wrongly reported that the names of two informers were 10:20:45 10 publicly live-streamed in yesterday's Commission hearings. 10:20:48 11 10:20:54 12 This is incorrect. There is a 15 minute delay in the streaming of the Commission's proceedings which has been 10:20:57 13 implemented particularly to avoid this. 10:21:02 14 During the 15 minute delay the names of the informers were removed and 10:21:05 15 10:21:06 16 were not included in the subsequent streaming.

10:21:1218Mr Holt, a transcript of yesterday's public hearing10:21:1519was taken down at the request of your solicitors this10:21:1820morning. Is there an issue with what was put up?

10:21:2522MR HOLT: Yes, Commissioner. The issue was, and it may10:21:2723simply be because this is the first of the hearings where10:21:3024there have been closed hearings where we needed to go25through this process but we have been asked for comments on10:21:3826the transcript by 9 o'clock this morning.

10:21:38 28 COMMISSIONER: No, that was in the private hearing.

10:21:4130MR HOLT: We understand that now. That wasn't our10:21:4431understanding at the time and I apologise.

COMMISSIONER: Right.

10:21:4635MR HOLT: I think the communication may have been ambiguous36and we actually misunderstood and I apologise.

38 COMMISSIONER: Right.

10:21:4940MR HOLT: There are two issues in relation to the open10:21:5141hearing. I think we'll be corresponding with the42Commission very shortly about those, they're being done as10:21:5543an absolute priority.

10:21:554410:21:554510:21:554510:21:5846COMMISSIONER:You're not able to deal with them now so the
transcript can go back up immediately.

1 MR HOLT: I think it will be more efficient if I can simply 10:22:00 10:22:05 2 allow my junior who's presently doing that who will be communicating with me shortly to do it, but we are doing 3 10:22:06 10:22:06 4 that as a matter of absolutely priority. The remainder of 5 the transcript, that is the closed transcript, that that 10:22:10 6 review started as soon as we received the transcript last 10:22:12 7 night. We're working hard on that to get that to the 10:22:14 10:22:14 8 Commission. 9 10:22:14 COMMISSIONER: 10:22:15 10 In future, the arrangement is that the public transcript after some cautious reviewing by, well 10:22:18 11 10:22:25 12 everyone will have the opportunity to cautiously review it, 10:22:29 13 I suppose, but the Commission's team cautiously reviews it and then puts it up. That would ordinarily be the case. 10:22:34 14 10:22:37 15 10:22:37 16 MR HOLT: Thank you. We understand that now and we'll 10:22:39 17 ensure that we now understand the respective time lines so that we can comply with those. 10:22:45 18 10:22:46 19 10:22:46 20 COMMISSIONER: Yes, thank you. 21 MR HOLT: 22 Thank you. 23 10:22:47 24 COMMISSIONER: Yes, Mr Winneke. 10:22:48 25 MR WINNEKE: Yes, Commissioner, I think we're in a position 10:22:48 26 10:22:52 27 to resume in public the evidence of Mr Strawhorn and his 10:22:55 28 evidence I anticipate will go for a little while longer but probably about an hour or thereabouts. 10:23:00 29 10:23:02 30 10:23:02 31 COMMISSIONER: Yes. Is Mr Strawhorn - - -10:23:05 32 Mr Strawhorn is present, Commissioner. 10:23:05 33 MR MORRISSEY: May 10:23:07 34 I just mention a matter for management purposes. Having 10:23:11 35 considered the matter overnight I do not believe it will be necessary for me to seek to go back into closed session for 10:23:15 36 10:23:20 37 any re-examination and so we don't seek to re-examine further on any other matters. 10:23:26 38 10:23:28 39 10:23:28 40 COMMISSIONER: In respect of the closed hearings? 41 10:23:31 42 MR MORRISSEY: In respect of the closed hearings, that's 10:23:34 43 right. 10:23:34 44 10:23:34 45 COMMISSIONER: You will have the opportunity of course to 10:23:36 46 re-examine in respect of today's hearing. 10:23:38 47

.01/05/19

1 MR MORRISSEY: May I just simply make two points for the 10:23:39 2 record for later if needs be. The first is that 10:23:42 3 Mr Strawhorn was cross-examined both by counsel assisting 10:23:44 10:23:47 **4** and counsel for Ms Gobbo on various matters and in some 5 cases was cross-examined on matters long ago in a general 10:23:51 sense with relatively minimal context and he's given 10:23:56 6 10:24:00 7 certain answers. What we would like to put on record is 10:24:04 **8** should further details which invite further evidence and further response from Mr Strawhorn become available we 9 10:24:07 10:24:10 10 would very much appreciate the opportunity to respond to those if it's appropriate to do so and to be notified of 10:24:13 11 10:24:16 12 such detail given the elapse of time. He has been 10:24:19 13 commenting upon documents, many of which he only saw for the first time here, and therefore it may be that if the 10:24:23 14 Commission comes into possession of materials on which he 10:24:29 15 10:24:32 16 should comment he could be given that opportunity. 10:24:36 17 10:24:36 18 COMMISSIONER: The Commission is very conscious of its duties to ensure natural justice is done. 10:24:38 19 10:24:40 20 Yes. That was the import of the comment MR MORRISSEY: 10:24:41 21 The second comment is similar and 10:24:43 22 that I made there. 10:24:48 23 On a couple of occasions questions were related to that. put to him, in particular by counsel for Ms Gobbo, that he 10:24:52 24 10:25:00 25 had used the fact of Ms Gobbo having a prior conviction as leverage and he said no, and we have nothing to add to that 10:25:10 26 10:25:13 27 answer at this point. But if something comes up by way of a specific allegation that he put something specific to her 10:25:16 28 or suggested something specific, then once again - - -10:25:19 29 10:25:22 30 10:25:23 **31** COMMISSIONER: It's pretty clear a statement from him, 10:25:25 32 Mr Morrissey. 10:25:25 33 10:25:26 34 Yes, it's a general statement in answer to a MR MORRISSEY: 10:25:30 35 general question. 10:25:30 36 That's so. 10:25:30 37 COMMISSIONER: 10:25:31 38 10:25:31 39 MR MORRISSEY: It doesn't get much straighter, I agree. 10:25:33 40 10:25:34 41 COMMISSIONER: It doesn't get much straighter than that. 10:25:36 42 It is hard to see if he can't answer that one now if there 10:25:41 43 are specific documents put to him - - -10:25:43 44 45 MR MORRISSEY: No, but he may have something to add, that's 10:25:43 46 all, and I'm simply marking that territory really if 10:25:46 47 something later were said. Commissioner, it is simply

.01/05/19

1175

1 underlining the natural justice situation and I have no 10:25:51 2 more add to it than what I've said. 10:25:54 3 10:25:55 10:25:56 4 COMMISSIONER: Understood. Thanks Mr Morrissey. So Mr Strawhorn, return to the box, please. 5 10:26:00 10:26:03 6 <WAYNE GEOFFREY STRAWHORN, recalled:</pre> 7 10:26:04 10:26:07 8 Yes Mr Winneke. COMMISSIONER: 9 10:26:07 10:26:09 10 MR WINNEKE: Thanks, Commissioner. Now, Mr Strawhorn, I 10:26:10 11 10:26:14 12 think I asked you yesterday questions about an operation 10:26:18 13 called Hamadan as a result of which Mr Arnautovic was charged and was ultimately convicted and sentenced to a 10:26:25 14 I think you've been shown and I period of imprisonment. 10:26:27 15 10:26:33 16 wonder if I could have put up a document which is entitled 10:26:36 17 the Operation Hamadan final report VPL.0005.0037.0249. Ι apologise to the operator, it seems there are difficulties. 10:27:05 18 Look, perhaps we'll do it this way, Commissioner. 10:27:16 19 20 Mr Strawhorn, can you have a look at that document 10:27:19 21 It's a document which has been redacted for public 10:27:22 22 there. 10:27:39 23 interest immunity matters but on its face it appears to be 10:27:41 24 a report concerning Operation Hamadan dated March I think of 1998?---It does, it appears to be a final report in 10:27:44 25 relation to that. 10:27:48 26 10:27:48 27 10:27:49 28 It may well be that you've seen it in the past, it may well 10:27:52 29 be you don't recall having seen it, but can you tell the 10:27:55 30 Commissioner what it is as far as you're concerned?---At 10:27:58 **31** the conclusion of an investigation a report is compiled 10:28:02 32 which outlines the nature of the investigation and the 10:28:04 33 outcomes of the investigation and this is such a report. 10:28:08 34 10:28:09 35 And at the time that it's prepared it's as accurate as it can be concerning matters which are relevant to the 10:28:14 36 10:28:16 37 operation, is that right?---I would expect so. 10:28:19 38 10:28:19 39 I tender that, Commissioner. 10:28:21 40 10:28:22 41 10:28:24 42 #EXHIBIT RC86 - Operation Hamadan report March 1986. 10:28:31 43 10:28:32 44 Mr Strawhorn, I just wanted to ask you about a couple of 10:28:35 45 matters concerning Nicola Gobbo and whether or not it was 10:28:43 46 considered by the Drug Squad that she could be a source of 10:28:49 47 information for the Drug Squad. There's evidence that the

1 Commission has that in about July of 1998, that Nicola 10:28:53 10:29:01 2 Gobbo was assessed by two members of the Drug Squad, one, Kruger, and another person by the name of Lim, I take it 3 10:29:08 10:29:11 4 you know both of those people?---I do. 5 10:29:13 And the evidence is to the effect that they were tasked, 10:29:14 6 10:29:19 7 those two were tasked by Detective Senior Sergeant Bowden 10:29:23 **8** to go and speak to her and see whether it would be appropriate to have her registered as an informer. 9 Now, 10:29:27 firstly, are you aware of that?---No. 10:29:34 10 10:29:36 11 10:29:37 12 Right. The evidence available to the Commission is that Messrs Lim and Kruger did go and see Ms Gobbo in about July 10:29:52 13 of 1998 and at least Mr Lim took the view that for a number 10:29:56 14 of reasons it wouldn't be appropriate to register her. 10:30:02 15 0ne 10:30:05 16 reason was that she was a legal practitioner and, two, it 10:30:12 17 was suggested that she had inappropriate relationships with Now, would you have been aware of that at police officers. 10:30:16 18 the time?---No. 10:30:24 19 10:30:25 20 Casting your mind back, you say, "Well, look, I'm not aware 10:30:29 21 of it now"?---Correct. 10:30:33 22 10:30:34 23 10:30:34 24 And you can say, "I wouldn't have been aware of it then"?---Correct. 10:30:37 25 10:30:37 26 10:30:38 27 To be fair I want to put it to you that the evidence has been that after that meeting, Mr Lim would say that he went 10:30:42 28 and spoke to Detective Senior Sergeant Bowden and told him 10:30:49 29 10:30:55 30 that as far as he was concerned, at least, it wouldn't be 10:30:59 **31** appropriate to register Ms Gobbo, but he also said he spoke to you about it. Now what do you say about that?---My only 10:31:03 32 10:31:08 33 recollection, of anyone speaking to me about that was Mark 10:31:12 34 Bowden. 10:31:12 35 And what did Mr Bowden say to your 10:31:12 36 Right. 10:31:16 **37** recollection?---To my recollection Mr Bowden advised me that while documents were being served on Ms Gobbo by 10:31:19 38 10:31:23 39 Mr Kruger, that she offered information about that 10:31:29 40 employer. 10:31:29 41 10:31:30 42 All right?---That's the extent of it. 10:31:32 43 10:31:32 44 You recall I put to you yesterday that in about February of 10:31:37 45 1998 there were the assertions made by Bowden and Kruger to 10:31:42 46 the effect that the employer was crooked, et cetera, 10:31:51 47 et cetera. You say you weren't aware of that?---No, that's

10:31:53	1	correct.
10:31:53	2	
10:31:53	3	But nonetheless then I put to you yesterday that facsimile
10:31:59	4	which apparently you'd been sent in December of
10:32:03	5	1997?Correct.
10:32:03	6	
10:32:03	7	And it appears that you had been sent that, as to whether
		or not you recall it you simply say, "I don't know"?I
10:32:07	8	
10:32:12	9	can't add any more.
10:32:13	10	
10:32:30	11	Now, at that stage, and I'm talking about 1997, late 97
10:32:41	12	going into 1998, we've established that your position then,
10:32:46	13	you weren't a boss in the sense that you weren't a Senior
10:32:49	14	Sergeant, you were a Detective Sergeant?Correct.
10:32:51	15	
10:32:52	16	You were involved in the Clandestine Laboratory Unit at
10:32:55	17	that stage?Correct.
10:32:56	18	
10:32:57	19	But would it be fair to say that you had a position within
10:33:03	20	the Drug Squad at that stage where people would come to you
10:33:06		and seek your views and ask your advice, that is other
10:33:10		members of the Drug Squad?Certainly within the division
10:33:13		that I was in, not within the Drug Squad.
10:33:17		
10:33:17		Not within the Drug Squad generally?No.
10:33:20		Not wrenth the brug equal generatry. Not
10:33:20		Was Mr Kruger in your division?Yes.
10:33:20		
10:33:27		COMMISSIONER: Kruger. Strike that name from the record,
10:33:27		thank you.
		LIIAIIK YOU.
10:33:34		MD WINNEKE, I analogica. He was in your division and he
10:33:34		MR WINNEKE: I apologise. He was in your division and he
10:33:37		would come to you for advice?He would certainly go to
	34	his own Detective Sergeant first for advice.
10:33:46		
10:33:47		And that was Detective Sergeant ?I've got no idea
10:33:51		who it was at that time.
10:33:52		
10:33:52		It wasn't Mark Bowden?Mark Bowden was the Detective
10:33:56	40	Senior Sergeant.
10:33:56	41	
10:33:56	42	Senior Sergeant, yes?Correct.
10:33:58	43	
10:33:59	44	Did you take over from Detective Senior Sergeant Bowden
10:34:03	45	when you were promoted?Not initially but I did.
10:34:07	46	
10:34:08		Not initially. When was that?I believe it was probably

10:34:15	1	early 98 I was promoted. I was in a different unit at that
10:34:20	2	time and probably early 99 I came into unit 2.
10:34:24	3	
10:34:24	4	Righto, okay?I can't give you any more specifics than
10:34:33	5	that.
10:34:33	6	
10:34:33	7	I think I was at one point yesterday, late yesterday going
	8	
10:34:38		to ask you some questions about an operation or a Task
10:34:44	9	Force with the name of Kayak?Yes.
10:34:46	10	Con you toll the Commissioner when that enception
10:34:47	11	Can you tell the Commissioner when that operation
10:34:52	12	commenced?I don't have specifics in front of me but it
10:35:06	13	could have been some time during 99 or 2000.
10:35:10	14	
10:35:10	15	In any event I think arrests were ultimately made?They
10:35:14	16	were.
10:35:14	17	
10:35:15		In about August of 2001?That Task Force encompassed a
10:35:19	19	number of side operations and at various stages during the
10:35:23	20	life of the Task Force there were arrests made. But
10:35:26	21	certainly the final ones were probably towards mid-2001.
10:35:33	22	
10:35:34	23	If I put to you on or around 24 August 2001 there were
10:35:41	24	arrests made, including I think Mr Mokbel, Tony
10:35:48	25	Mokbel?I'd accept that.
10:35:49	26	
10:35:49	27	There had been arrests earlier on I think in 2000 of people
10:35:56	28	in relation to that operation or a particular person, I
10:35:59	29	don't think we need to go into details of that person but
10:36:02	30	there had been an arrest?There had been a number of
10:36:06	31	arrests at a number of stages during the life of that
10:36:08	32	investigation.
10:36:08	33	5
10:36:09	34	Briefly what was that operation about?High level drug
10:36:13		trafficking in Victoria, including the manufacturing of
10:36:16		amphetamines.
10:36:10		
10:36:18		There was an arrest, perhaps if I can put it as far as
10:36:22		this, there was an arrest of a person who subsequently
10:36:22		became an informer in about August 2000?I couldn't give
10:36:27		you the dates but I'd agree with that.
10:36:31		you the dates but I d agree with that.
10:36:33	42 43	In about November of 2000 would it be correct to say that
10:37:06		you were having discussions, November and December of 2000,
10:37:11		you were having discussions with prosecutors concerning
10:37:17		that operation, Operation Kayak?It's possible.
10:37:21	47	

1 If we go to your diary of 7 December 2000, 10:37:21 10:37:41 2 VPL.0005.0059.0078. If you go to T7. Can you interpret 3 that for us?---Ms Palgan and Mr Coghlan, OPP re Kayak. 10:37:59 10:38:12 4 5 Obviously Mr Coghlan was a prosecutor and Ms Palgan was 10:38:12 head of the drug section at the OPP, is that correct?---I 10:38:18 6 believe Mr Coghlan was in charge of the OPP at that time. 10:38:21 7 10:38:25 **8** Do you recall what that meeting would have been 9 Yes. 10:38:25 I'm not asking you to provide details of the 10:38:28 10 about? discussion but as a general proposition?---No, I don't. 10:38:31 11 10:38:36 12 No, I don't. 10:38:37 13 Now, at this stage - perhaps if we could 10:38:37 14 All right then. move down to another meeting, if we go to 11 10:38:44 15 December?---Yes. 10:38:49 16 10:38:49 17 Sorry Commissioner, could I just approach my MR HOLT: 10:38:52 18 learned friend and that document be taken down for the 10:38:57 19 10:39:00 20 moment. 10:39:05 21 (Discussion at Bar table.) 10:39:05 22 10:39:11 23 10:39:11 24 MR WINNEKE: Look, I won't tender the document but I don't think there's anything - if we could highlight that aspect 10:39:14 25 of it which was up before and that aspect of it only, 11 10:39:18 26 10:39:24 27 December. 10:39:33 28 10:39:33 29 COMMISSIONER: 11 December 2000. 10:39:35 30 10:39:36 **31** MR WINNEKE: 11 December 2000. Can you just read that, Mr Strawhorn?---Which part? 10:39:40 32 10:39:41 **33** 10:39:43 **34** That is an entry on, it seems to be Monday 11 10:39:49 35 December?---It is. 10:39:50 36 You clear to - - - ?---Clear to OPP re Kayak, 10.15 meeting 10:39:50 37 barrister Gobbo re Kayak. 10:39:56 **38** 10:39:59 **39** 10:39:59 40 And then meeting subsequently with the AFP?---Correct. 10:40:03 41 10:40:05 42 Techs and serve re Kayak?---Correct. 10:40:08 43 10:40:09 44 Clearly meetings are going on in respect of Kayak and that 10:40:12 45 operation?---Correct. 10:40:12 46 10:40:12 47 What I wanted to ask you about was a meeting that you had

.01/05/19

10 10 15	1	apparently with barrister Gobbo regarding Kayak?Correct.
10:40:15	1	apparently with barrister dobbo regarding Rayak?correct.

11:07:03		Mr Allison, you are currently the local area commander of
11:07:12		Wyndham, is that correct?That is correct.
11:07:14	21	
11:07:14	22	And you've had that role since 2017?That's correct.
11:07:19		
11:07:21		Going back to your early days within the police you

11:07:31 11:07:31		The positions that you've held since that date within

11:07:42	31	
11:07:42		The questions that I have for you focus on two periods of

11:07:51		your time with the Drug Squad in the early 2000s, do you
11:07:56	35 36	understand that?Yes.

11:08:17	43	
11:08:17		You spent about a year there in that position before you
11:08:21	45 46	took a temporary assignment as I understand it to the I District Support Group?That's correct.

11.00:27	77	

1 Can you assist the Commission by explaining what the I 11:08:27 11:08:31 2 District Support Group was?---It was a group of uniform 3 police that were temporarily assigned to a plain clothes 11:08:33 11:08:38 4 group within a district. A district would be the equivalent of what we now call regions. 5 The district in 11:08:44 6 those days, I district consisted of suburbs like 11:08:49 Broadmeadows, Cragieburn, Glenroy, Essendon, Moonee Ponds, 7 11:08:54 11:08:58 8 Flemington, Brunswick, Fawkner, that type of area. And the 9 District Support Group consisted of assignments from those 11:09:05 of Sergeants, which was at my level, along with other 11:09:11 10 Constables and Senior Constables from those different 11:09:15 11 11:09:20 12 police stations that I've just mentioned. 11:09:21 13 What sort of roles did the I District Support Group carry 11:09:21 14 out?---The District Support Group would perform a number of 11:09:25 15 11:09:31 16 roles, would be used primarily as resources for those that fell outside the uniform ambit but fell short of what in 11:09:39 17 those days was called the CI, criminal investigation 11:09:45 **18** branches. But predominantly our work was drug-related. 11:09:50 19 11:09:54 20 11:09:54 21 I see, all right. And how would you generally receive the information on which you acted, just in a general 11:09:58 22 11:10:01 23 sense?---So the information that we would receive would 11:10:04 24 come from - predominantly would come from Crime Stoppers, Members of the community would ring 25 so anonymous people. 11:10:09 Crime Stoppers with snippets of information, we would 11:10:13 26 11:10:17 27 investigate those, that information, determine the validity If it was sufficient to 11:10:22 28 or otherwise of the information. 11:10:27 **29** warrant or to seek a search warrant we would then compile 11:10:32 30 an affidavit and execute the search warrant. 11:10:34 **31** Can you recall who the senior officers within that 11:10:34 32 I see. 11:10:37 33 team were in the 94/95 period?---Yes, so I reported to a 11:10:42 34 Senior Sergeant, his name was Rick Tonkin, and there was 11:10:47 35 three, maybe four crews of, each headed by a team leader being a Sergeant which was at my level and the Constables 11:10:53 **36** 11:10:56 **37** and Senior Constables would consist of three, four, sometimes five in each crew. 11:10:59 38 11:11:01 39 11:11:02 40 You were mentioning the execution of warrants a moment ago. 11:11:05 41 I want to focus on the execution of a warrant at Ms Gobbo's 11:11:10 42 premises and your recollection is that was some time in 94 11:11:14 43 or perhaps 95, is that correct?---Yes. 11:11:17 44 11:11:17 45 And whilst you don't remember the precise All right. 11:11:21 46 address the Commission's got information that indicates 11:11:23 47 that that property was 250 Rathdowne Street. You don't

disagree with that if that's - - - ?---No, my recollection 11:11:27 1 11:11:31 2 it was on Rathdowne north of Elgin Street, I can't remember 3 the number. 11:11:35 11:11:35 **4** 5 How is it you place the execution of that warrant in 11:11:37 time?---Because I'd recently only moved over to the I 11:11:42 **6** 11:11:47 **7** District Support Group from Moonee Ponds and I recall being 11:11:54 **8** contacted by a female police officer from Moonee Ponds with 9 information relating to that address and I just recall it 11:11:58 11:12:03 10 because it was not long after I had arrived. 11:12:06 11 11:12:06 12 All right. And do you know how it was that that police 11:12:10 13 officer came to obtain the information about that address?---Yes. 11:12:14 14 My recollection is that that female police officer had recently transferred from Russell Street police 11:12:18 15 station, in fact had performed a temporary assignment at 11:12:20 16 the Russell Street District Support Group, or what was then 11:12:29 17 11:12:30 18 called the A District Support Group. 19 11:12:33 20 Yes?---And brought some information. So she received that information while she was working in the CBD of Melbourne 11:12:35 21 and brought that information with her to Moonee Ponds. 11:12:38 22 11:12:42 23 Do you know who she had obtained that information from when 11:12:43 24 she was at Russell Street?---I don't recall. 11:12:46 25 11:12:48 26 11:12:48 27 You don't remember whether it was Crime Stoppers or someone 11:12:51 28 else?---I'm pretty certain it wasn't Crime Stoppers. She 11:12:54 **29** obtained that information from other sources that I can't recall. 11:12:58 **30** 11:12:58 **31** 11:12:58 32 And her name was Constable Sue Wilson, is that 11:13:02 33 correct?---Yes, I think it is. 11:13:03 34 11:13:03 35 In any event was there surveillance carried out prior to the execution of the warrant?---No physical surveillance, 11:13:09 36 11:13:13 37 no. 11:13:13 **38** 11:13:14 39 What was the information that you recall upon which the 11:13:19 40 warrant was obtained?---That it related to that the 11:13:23 **41** occupants of the address were trafficking in drugs of 11:13:27 42 dependance. 43 11:13:28 44 You say occupants in plural, why is that?---I'm probably 11:13:33 45 saying occupants plural because I now know that there was 11:13:37 46 two people living there. I can't recall whether the 11:13:39 47 information related to one or more.

11:13:41 1 11:13:42 **2** So the warrant was obtained and you were the team leader 11:13:46 **3** for the execution of that warrant, is that correct?---Yes. 11:13:49 **4** Sergeant Paul Russell was also involved in the execution of 5 11:13:51 that warrant, is that correct?---Yes. 11**:**13**:**54 **6** 11:13:56 7 11:13:56 **8** Do you remember any of the other people, the other police members who were involved in the execution of that 9 11:13:59 warrant?---Not specifically but I do recall that Russell, 11:14:02 10 Paul Russell was on the team at the time along with another 11:14:07 **11** 11:14:14 12 gentleman called Moussa, I can't remember his Christian 11:14:20 13 name, and another female whose name I can't recall. 11:14:25 14 Was Constable Sue Wilson involved in the execution of the 11:14:25 **15** 11:14:28 16 warrant or just the obtaining of the information?---I don't think so, I can't recall. 11:14:31 17 11:14:33 18 Doing the best you can how many police members were 11:14:33 19 involved in the execution of the warrant?---Generally we'd 11:14:37 20 go there with four or five. 11:14:40 21 11:14:41 22 11:14:41 23 Do you remember how entry was obtained on this 11:14:44 24 occasion?---No, I don't. 11:14:45 25 Do you remember who was at the premises?---Can I just stop 11:14:46 26 11:14:49 27 you there, sorry. 11:14:49 28 Go ahead?---Most of our entries were peaceful so we never 11:14:50 **29** really forced entry. In fact if I now think back I don't 11:14:54 30 11:14:59 **31** recall we ever forced and entry while I was at DSG, or the 11:15:08 32 District Support Group. 11:15:08 33 11:15:09 **34** Do you recall whether there were any occupants at the 11:15:12 **35** premises upon entry to it?---Yes, there was, there were an 11:15:16 **36** occupant or occupants, yes. 11:15:18 37 Male or female?---Look, I don't remember specifically who 11:15:19 38 11:15:22 **39** was there. 11:15:23 40 11:15:24 **41** Do you remember the number of occupants?---No, I don't. 11:15:27 42 11:15:27 **43** Do you remember a person called Brian Wilson being 11:15:30 44 present?---That name is familiar and I've since learnt that 11:15:32 45 that was the occupant that eventually was charged. 11:15:36 46 11:15:36 47 All right?---But I couldn't recall that name during the

11:15:42	1	compiling of this statement.
11:15:43	2	
11:15:44	3	I see. What about Nicola Gobbo, was she present when the
11:15:47	4	warrant was executed?Look initially I thought that she
11:15:51	5	was present but then now I'm uncertain but I do
11:15:54	6	specifically recall having a conversation with Ms Gobbo
11:15:59	7	either at the scene or later on on a telephone, but I do
11:16:04	8	recall having a conversation with her.
11:16:05	9	
11:16:06	10	Just doing the best you can to place it in time, you say it
11:16:08	11	was either at the scene or perhaps later on on the
11:16:11	12	telephone. Was it around the time or was it on the same
11:16:14	13	day as the execution of the warrant?Look it was in close
11:16:17	14	proximity. By that I mean it was either on the day or the
11:16:21	15	following day, maybe the day after that but no more than
11:16:24	16	that.
	17	
11:16:25		Just going back a slight step. When the warrant was
11:16:30	19	obtained and executed were you aware at that time that a
11:16:34		warrant had previously been executed on the premises in
11:16:37		1993?Um, I would have been because we - I don't
11:16:42	22	specifically recall but I would have known that there would
11:16:47		have been, yeah.
11:16:47		That is the sent of information that we would be used
11:16:48		That's the sort of information that you would be, would
11:16:50		have when you were getting the next warrant?Yes.
11:16:53		And I accure then that if the waysent involved shapes
11:16:53		And I assume then that if the warrant involved charges
11:16:57		against Ms Gobbo, the 1993, sorry, execution of a warrant,
11:17:02		3 September 93 it was, if it involved charges being brought
11:17:08		against Ms Gobbo and Mr Wilson that's something else you
11:17:11		would have known in 1995 when you executed that
11:17:14	33 24	warrant?Most certainly.
11:17:15		All right As you sit there now are you aware that in
11:17:17		All right. As you sit there now are you aware that in November 93, or following the 93 execution of a warrant at
11:17:25	36 37	least, that Ms Gobbo had pleaded guilty to possession and
11:17:31		use of amphetamine and cannabis?Yeah, I know that now,
11:17:34		•
11:17:37 11:17:37		yes.
11:17:37 11:17:37		You would have known that at the time I assume as
	41	well?Yeah, yes.
11:17:40 11:17:41	42 43	werr:rearr, yes.
11:17:41 11:17:45		You're not, you don't recall, and that's understandable
11:17:45 11:17:49		over the time, the date of the execution of the warrant but
11:17:49 11:17:52		if I told you the Commission has information it indicates
11:17:52 11:17:55		it was - this is the 95 search, it was executed on 4 April
TT:T\:22	71	$\frac{1}{1000} = \frac{1}{1000} = 1$

11:18:00 1 95, you're not in a position to disagree with that?---No. 11:18:04 **2** I arrived in the November of 94 or thereabouts so, yeah, 3 that would be consistent with what I remember. 11:18:08 11:18:11 4 And just touching again on the information that Constable 11:18:16 5 Sue Wilson had provided, and you've been talking about the 11:18:22 **6** 11:18:24 **7** focus of the I District Support Group being on drug-related 11:18:29 **8** matters. Is it correct to say that the information was 11:18:32 **9** that there was trafficking occurring at the premises in 1995 and that was the basis of the execution of the 11:18:36 10 warrant?---Yes. 11:18:39 **11** 11:18:40 12 11:18:42 13 Just going back to the conversation that you had with Ms Gobbo and you've said it was closely approximate, you 11:18:45 14 can't remember whether it was at the premises at the time 11:18:49 15 11:18:52 **16** or perhaps on the phone shortly afterwards?---(Witness 11:18:56 17 nods.) 11:18:56 **18** You have an independent recollection of parts of that 11:18:57 19 11:19:01 20 conversation and you've set out those in your statement, is that correct?---Yes. 11:19:04 21 11:19:05 22 11:19:07 23 During that conversation Ms Gobbo accepted that she was an 11:19:13 24 occupant of the house?---Yes. 11:19:15 25 And she told you that she was a law student at Melbourne 11:19:16 26 11:19:19 27 University?---She did. 11:19:19 28 11:19:21 29 She told you that she was the niece of a serving justice of the Supreme Court of Victoria?---She did. 11:19:25 **30** 11:19:27 **31** 11:19:28 32 And she told you that she was concerned that a criminal 11:19:31 33 conviction would prevent her from practising as a 11:19:34 **34** solicitor?---That's correct. 11:19:35 **35** 11:19:36 **36** So can I suggest to you that on the basis of that final 11:19:40 37 point there was a real prospect that she was going to be charged as a result of this 1995 warrant?---Commissioner, 11:19:43 **38** 11:19:49 **39** that didn't really influence whether she was charged or 11:19:52 **40** not. 11:19:52 **41** 11:19:54 42 COMMISSIONER: No, no, we're just really interested to know 11:19:55 **43** whether there was this conversation?---She thought she was 11:20:00 44 in jeopardy of being charged, that's fair. 11:20:04 45 11:20:04 46 The Commission's heard some evidence MR WOODS: All right. 11:20:10 47 regarding the previous warrant in September 93 as to

Ms Gobbo's demeanour and attitude towards the police during 11:20:16 1 11:20:21 **2** the execution of that warrant. Are you able to assist the 11:20:25 **3** Commission as to the way she was addressing you and your 11:20:28 **4** observations about her attitude towards this warrant and 5 the potential charges?---Um, my recollection is she was 11:20:31 quite anxious about whether or not she would be charged, 11:20:36 **6** 11:20:40 **7** because having already received a good behaviour bond the 11:20:48 **8** court may seem unlikely to provide her with another good behaviour bond again. 9 11:20:52 11:20:54 10 I see. 11:20:54 **11** 11:20:58 12 11:20:59 13 COMMISSIONER: Did she mention the previous charge to you?---I don't recall, Commissioner, whether she did or not 11:21:01 14 11:21:05 15 but, you know, when I reflect back she was quite anxious 11:21:09 16 about it. 11:21:09 17 11:21:10 18 Did you understand that she had provided the information to Constable Wilson?---No, I didn't know that at all. 11:21:12 **19** 11:21:17 20 11:21:17 21 When you went to the house?---No. 11:21:20 22 11:21:22 23 And in your conversation with Ms Gobbo which was MR WOODS: 11:21:26 24 either at or following the execution of this warrant, did 11:21:30 25 she provide you with any information in relation to Mr Wilson and what was going on at the premises prior to 11:21:33 26 11:21:38 27 the execution of the warrant to assist in his 11:21:40 28 prosecution?---No. 11:21:41 29 Did you ask her for any such information?---No. 11:21:42 **30** 11:21:44 **31** 11:21:45 32 Did any other officers who were present or involved in the 11:21:51 33 1995 execution of a warrant ask Ms Gobbo for information to 11:21:54 **34** your knowledge?---Not to my knowledge. 11:21:56 **35** 11:21:57 **36** Were you aware or did you have any contact with Ms Gobbo 11:22:02 37 not talking about 2000 just yet but in the months following the execution of that warrant, did you have any contact 11:22:05 **38** 11:22:08 39 with Ms Gobbo?---No. 11:22:09 40 11:22:10 **41** Were you aware in July 95, two months after the warrant, that Trevor Ashton and Tim Argall registered Ms Gobbo as a 11:22:13 42 11:22:18 43 human source?---No. 11:22:19 44 11:22:19 45 Do you recall whether any of those two individuals were 11:22:23 46 present at the execution of the warrant in 1995?---I can 11:22:28 47 categorically tell the Commission that neither of those two

11:22:31	1	gentleman were present.
11:22:32	2	
11:22:32	3	Are you able to say whether or not the information obtained
11:22:36	4	during the search warrant was passed on to Trevor Ashton or
11:22:40	5	Tim Argall following the execution of the warrant?Not
11:22:44	6	that I'm aware of.
11:22:45	7	
11:22:48	8	I now want to ask you some questions about your time at the
11:22:52	9	Drug Squad.
11:22:53	10	
	11	COMMISSIONER: Just before we go on to that topic. Can I
	12	ask you, you said she was anxious. Was she cooperative
	13	with you?Yes.
	14	
	15	She was cooperative but she didn't assist you in finding
	16	the drugs?Certainly she denied, you know, possession of
11:23:09		the drugs, which was the reason why she wasn't charged. We
11:23:15	-	had the male occupant of the address who was making some
11:23:19		admissions to owning the drugs and Ms Gobbo telling us that
11:23:24		she had, denied all knowledge that they were even there.
11:23:28		So on that basis she wasn't charged.
11:23:31		
11:23:31		And she was anxious, was she tearful, do you
11:23:35		remember?Not - no, not that I - no.
11:23:38		
11:23:39		Thanks, Mr Woods.
11:23:40		MD 100DC
11:23:40		MR WOODS: Thank you, Commissioner. You were first
11:23:44		temporarily assigned to the Drug Squad in October of 2000,
11:23:47		is that right?Yes.
11:23:48		And that was from my understanding of the obranalogy just
11:23:49	32 33	And that was, from my understanding of the chronology, just
11:23:56		prior to a pretty tumultuous time for the Drug Squad, is that correct?Yes.
11:24:01 11:24:02		
11:24:02 11:24:04		Mr Strawhorn was leading your team, is that correct, when
11:24:04 11:24:09		you arrived there or what was his position in relation to
11:24:09 11:24:13		you?So Mr Strawhorn was managing the entire Task Force
11:24:13 11:24:20		Kayak of which there were two teams.
11:24:20	39 40	Rayar of which there were two teams.
11:24:23		Yes?And I led one of those, I was assigned to lead one
11:24:23	41	of those two teams.
11:24:27	42 43	
11:24:29 11:24:29		And early on in the piece did you understand that Ms Gobbo
11:24:29		was having interactions with members of the Drug
11:24:34		Squad?No.
11:24:38		
11.21.00		

1 Did you know that she was having interactions with 11:24:38 11:24:42 2 Mr Strawhorn?---No. 3 11:24:43 11:24:46 **4** And it's the case, isn't it, that you'd previously worked under Mr Strawhorn in the late 1980s?---Yes. 5 11:24:49 11:24:53 **6** In what role was that?---Strawhorn was a Detective Sergeant 11:24:53 **7** 11:24:56 **8** in the late 1980s and I was a Senior Constable, a Detective 9 Senior Constable working with him as the team leader. He 11:25:03 was the team leader. 11:25:06 10 11:25:07 **11** 11:25:08 12 So of the teams that were managing Task Force Kayak, you 11:25:14 13 led one of those teams, is that right?---That's correct. 11:25:17 14 And you reported in that role to Mr Strawhorn?---That's 11:25:18 15 11:25:20 16 correct. 11:25:20 17 And the Task Force Kayak eventually led to charges against 11:25:22 **18** Tony Mokbel, Lewis Moran, Carl Williams and Mr McCulloch, 11:25:27 19 is that correct?---And a number of others but they were the 11:25:34 20 main targets, yes, that's correct. 11:25:37 21 11:25:39 22 11:25:39 23 You're aware that Ms Gobbo represented Tony Mokbel, Lewis Moran and Carl Williams at various times?---Yes. 11:25:43 24 11:25:47 25 You record an observation that you had that Ms Gobbo was 11:25:48 26 11:25:52 27 particularly closely associated with Mr Mokbel, is that 11:25:56 28 right?---Yes. 11:25:56 29 Can you elaborate on that for the Commissioner?---Ms Gobbo 11:25:57 **30** 11:26:01 **31** seemed to have a relationship with Mokbel that was outside 11:26:06 32 the normal lawyer/client relationship. 11:26:09 33 11:26:10 34 Where did you observe this and when did you observe it?---I 11:26:13 35 can't - I never observed it but I received information, and I'm not sure where I got it from, or where it come from, 11:26:17 **36** 11:26:22 37 that the relationship extended beyond business hours and they would regularly meet at various places in Melbourne, 11:26:25 **38** 11:26:31 **39** mostly in the early hours of the morning, late evening, 11:26:37 40 which led me to believe that the people that she associated 11:26:42 **41** with back in 95, nothing much had changed. 11:26:48 42 11:26:48 **43** So you heard this from other police members but All right. 11:26:53 44 didn't observe it yourself, is that right?---Yes. 11:26:56 45 11:26:57 46 Now, did you discuss those observations with 11:27:02 47 Mr Strawhorn?---Um, I don't directly recall but I would be,

1 I would say I would have discussed it not only with 11:27:06 11:27:10 **2** Strawhorn but also members of the team that I was working 11:27:13 3 with. 11:27:13 **4** And are we talking about the 2000, 2001 period here or can 5 11:27:13 you place it in time?---2001, 2002, yeah, somewhere around 11:27:18 6 11:27:25 **7** there. 11:27:26 **8** 9 And they're observations you made about Ms Gobbo's 11:27:26 relationship with Tony Mokbel. What about observations you 11:27:31 10 made as to her relationship with other police 11:27:35 **11** 11:27:38 12 members?---Yeah, I wasn't aware that she had a relationship 11:27:41 13 with other police members. There may have been - I vaguely recall as I was answering your question that there may have 11:27:48 14 been rumours around a relationship that Ms Gobbo may have 11:27:51 **15** 11:27:55 **16** had with Paul Dale back in those times. 11:28:00 17 And it's a vague recollection?---Yeah. 11:28:01 18 11:28:03 19 But do you remember that information coming to you at that 11:28:04 20 time or at some time later?---No, at that time. 11:28:07 21 11:28:09 22 11:28:11 23 All right?---I mean I was aware that Ms Gobbo was 11:28:16 24 ingratiating herself with police. 11:28:20 25 Is that something that you observed?---To be frank, 11:28:20 26 11:28:27 27 Commissioner, I never put myself in a position where I 11:28:29 28 spent too much time in the same place as Ms Gobbo. 11:28:33 29 I understand. 11:28:33 **30** 11:28:33 **31** COMMISSIONER: 11:28:33 32 That's true, but the question was was it 11:28:35 **33** something you observed?---No, I haven't, no. 11:28:37 34 11:28:38 35 Thank you. 11:28:38 36 The Commission has heard evidence from others 11:28:39 37 MR WOODS: that there were members who warmed to Ms Gobbo and Ms Gobbo 11:28:41 38 11:28:47 **39** would warm to them and there were members who didn't warm 11:28:52 40 to Ms Gobbo and Ms Gobbo would really have nothing at all 11:28:56 **41** to do with them. Was that your recollection of something 11:28:59 42 you observed?---Yes, I was in the latter group. 11:29:02 43 11:29:04 44 You might have already said this but I'll ask. You're 11:29:08 45 aware that Ms Gobbo was acting for Mr Mokbel from 2002 in 11:29:12 46 relation to the Kayak charges?---Yeah, I can't remember the 11:29:16 47 exact dates or even the year but she did act for him for a

considerable period, yes. 11:29:19 1 11:29:20 **2** 3 And there's evidence, I won't ask for it to come up on the 11:29:22 11:29:30 **4** screen, it's not a document that's your document, but 5 there's evidence that the Commission has only just heard 11:29:32 this morning about Mr Strawhorn meeting Ms Gobbo on 11 11:29:35 **6** 11:29:39 **7** December 2000 regarding Operation Kayak. Now, I'm not 11:29:44 **8** asking you to accept or reject that, it's simply something that's recorded in his diary. That's 11 December 2000. 11:29:47 9 You agree that the charges against Mr Mokbel only were laid 11:29:54 10 on 24 August 2001, do you accept that date?---Yes. 11:30:01 11 11:30:05 12 11:30:07 13 So the meeting inevitably was prior to the charges being laid against Tony Mokbel, the meeting between Strawhorn and 11:30:13 14 Gobbo, do you accept that?---Yes. 11:30:17 15 11:30:19 16 11:30:20 17 Can I suggest that, this isn't something you're involved in 11:30:25 18 but I'd like your observation about it because it might assist the Commissioner, it's a highly unusual situation 11:30:28 19 for a defence barrister to be meeting with a senior Drug 11:30:32 20 Squad operative about an operation for which charges had 11:30:35 **21** not yet been laid, do you agree with that?---Yes, I would. 11:30:38 22 11:30:42 23 11:30:43 24 And it's even more unusual, I'd suggest, that later on Ms Gobbo was representing Mr Mokbel in relation to charges 11:30:48 25 that came out of that precise Task Force, do you agree with 11:30:51 26 that?---Yes. 11:30:57 27 11:30:58 28 11:30:59 29 Can you provide the Commission with any observations that you made in relation to Mr Strawhorn and Ms Gobbo's 11:31:04 30 11:31:09 **31** relationship during this 2000/2001 period? Did you see them together?---No. 11:31:15 32 11:31:17 33 11:31:18 34 Were you aware of them communicating with each other?---No. 11:31:21 35 11:31:22 **36** As you sit here now are you aware that those communications 11:31:26 37 were happening during that period, other than the one I've just pointed out to you, that they were happening between 11:31:29 38 11:31:31 39 Mr Strawhorn and Ms Gobbo through this period?---Yes, I'm 11:31:36 40 now aware that they were communicating. 11:31:37 **41** Is that unusual in your experience, given their respective 11:31:37 42 11:31:42 43 positions?---I think it's unusual that they were having a 11:31:45 **44** meeting in December of 2000. The subsequent meetings that 11:31:48 45 they may have had, that I'm aware of, having read 11:31:55 46 Strawhorn's statement I think he details meetings with her 11:31:59 47 in 2001 or 2, or maybe even 99, yeah. The only unusualness

1 I'd find about that is meeting with Ms Gobbo in December of 11:32:08 11:32:13 **2** 2000 relating to Tony Mokbel because that was at the peak 3 of the investigation. 11:32:17 11:32:18 **4** 5 Yes?---That was, that was when things were really moving 11:32:18 quickly and, and evidence gathering was gathering, was 11:32:23 6 11:32:29 7 reaching its peak of momentum. 11:32:32 **8** And you were aware of discussions between Strawhorn and 9 11:32:32 Gobbo at that time or not?---No. 11:32:36 10 11:32:38 **11** 11:32:39 12 They're all the questions I have, thank you, Commissioner. 11:32:47 13 Did you ever see police officer Pope with 11:32:48 14 COMMISSIONER: Ms Gobbo?---Assistant Commissioner Pope? 11:32:51 15 11:32:56 16 11:32:56 17 Yes?---No, Commissioner. 18 19 Thank you. Yes, Mr Nathwani. 11:32:58 20 <CROSS-EXAMINED BY MR NATHWANI: 21 22 Mr Allison, can I ask you some questions in relation to 23 11:32:59 Operation Kayak, you detailed some of the main targets of 11:33:01 24 11:33:04 25 Is it fair to say the wider Mokbel family the operation. was in the firing line as far as Operation Kayak was 11:33:09 26 11:33:13 27 concerned?---The main target was Tony Mokbel and anyone that fell within that sphere of investigation became a 11:33:16 28 target, yes, and, yes, some of the members of his family 11:33:20 29 were involved in it. 11:33:24 **30** 11:33:26 **31** 11:33:26 32 As an example, I'm just going to give you some names, one 11:33:30 **33** Horty Mokbel was someone who was known to you, Operation 11:33:36 **34** Kayak at the time, so early 2000 or mid-2000?---Yes. 11:33:40 35 11:33:41 **36** There's no surprise or you can accept from me at the time 11:33:45 **37** she met Strawhorn, 11 December 2000, she was instructed at the time to represent Horty Mokbel in relation to another 11:33:49 **38** 11:33:53 **39** case, it looks like another drugs case, and then after the 11:33:57 40 meeting he subsequently appears to be charged with more 11:34:01 **41** County Court matters. Was he charged as part of Operation 11:34:06 42 Kayak as far as you were concerned?---No. 11:34:08 **43** 11:34:08 44 How about Milad Mokbel, she was also instructed to 11:34:12 45 represent him at certain times. Was he another person who 11:34:16 46 was within the scope of Operation Kayak?---Possibly. Ι 11:34:22 47 can't recall.

11:34:23 1 2 Danielle Maguire said to be the partner I think of 11:34:23 Mr Mokbel?---Danielle Maguire I think came within Operation 11:34:29 3 11:34:37 **4** Veer which was prior to my arrival. She wasn't charged out 5 of Kayak. 11:34:40 11:34:45 6 11:34:46 7 You've obviously read Mr Strawhorn's statement as you've 11:34:50 **8** indicated and you can comment I guess as an officer dealing in the Drug Squad with those providing information. 9 Ιt 11:34:54 wasn't unheard of for accused who were to be sentenced 11:34:57 10 having pleaded guilty to an offence to seek assistance from 11:35:02 **11** 11:35:06 12 the police if they assisted the police?---Um, no, no, it 11:35:13 13 was a, it was a technique that investigators were encouraged to carry out for those criminals who may be in 11:35:19 14 jeopardy of gaol time. 11:35:22 15 11:35:24 **16** 11:35:24 17 And, of course, I assume that in relation to that, a 11:35:30 18 positive technique would be police officers at the time, as you were saying, speaking to those individuals or even 11:35:34 19 11:35:38 20 their counsel with a view to see whether they'd be 11:35:42 21 interested in assisting an investigation, is that right?---Sorry, the accused people? 11:35:45 22 11:35:47 23 11:35:47 24 Yes, exactly?---Yes. 11:35:48 25 Thank you very much?---You're welcome. 11:35:49 26 11:35:53 27 11:35:54 28 COMMISSIONER: Any questions? 11:35:54 29 MS BUTTON: 11:35:55 **30** No cross-examination. 11:35:56 **31** 11:35:57 32 MS O'GORMAN: No questions. 11:35:57 33 11:35:57 34 COMMISSIONER: Any re-examination? 11:36:00 35 MS ENBOM: 11:36:00 36 I have no re-examination. 11:36:01 37 COMMISSIONER: Thanks Mr Allison, you're free to 11:36:01 38 11:36:03 39 go?---Thank you, Commissioner. 11:36:06 40 41 (Witness excused.) 42 11:36:07 43 <(THE WITNESS WITHDREW) 11:36:07 44 11:36:07 45 MR WINNEKE: Commissioner, we've got a witness by the name 11:36:09 46 of Steven Martin, I'm not sure whether he's available or 11:36:15 47 not. Just excuse me. I understand, Commissioner, and

1 Ms Tittensor is going to take the witness, I understand 11:36:25 11:36:28 **2** there's a video link which is going to be utilised for that 3 I'm not too sure at this stage whether it is 11:36:32 witness. available. 11:36:35 **4** Perhaps if we could stand down. 5 11:36:38 COMMISSIONER: Can I just mention it seems very late notice 11:36:38 6 11:36:40 7 was given of this, that it was video-linked. 11:36:45 **8** MR WINNEKE: I'm not too sure about that. 9 I think 11:36:45 11:36:48 10 yesterday we were given notice of it, Commissioner. 11:36:50 11 11:36:51 12 COMMISSIONER: It mustn't have filtered through to the 11:36:53 13 administrative people in the Commission who are responsible for that, that a video link is going to be needed so I'm 11:36:57 14 not sure whether it's going to be possible but anyway, 11:37:01 15 11:37:02 16 we'll find out. 17 Yes. MR WINNEKE: 18 19 20 COMMISSIONER: A short adjournment? 21 11:37:04 22 MR WINNEKE: Yes, thanks very much, Commissioner. 23 11:37:04 11:37:05 24 MR NATHWANI: I'm sorry, Commissioner, can we ask for a copy of the statement? I know we sound like a broken 11:37:08 25 record but another witness is going to be called and we 11:37:11 26 11:37:15 27 have no idea of what they're likely to say. 11:37:18 **28** 11:37:19 **29** COMMISSIONER: Yes, that is unsatisfactory. I'm hoping 11:37:20 **30** we're going to be able to improve the provision of these 11:37:24 **31** statements from Victoria Police to the Commission. 11:37:27 **32** 11:37:27 33 MR NATHWANI: I understand. 11:37:27 34 11:37:28 35 COMMISSIONER: And to interested parties so that it is 11:37:31 **36** provided in a more timely manner but everything is 11:37:34 **37** happening at reasonably short notice. I had hoped that over, there were a couple of weeks before these hearings, I 11:37:38 **38** 11:37:42 **39** had hoped that things would run more smoothly, but it still 11:37:46 40 seems that witness material is being provided at the last 11:37:49 **41** minute. I know everyone is under the pump, but we'll have 11:37:53 **42** to see if it can be streamlined. Can Mr Nathwani be given 11:38:01 43 a copy either by the Commission or by the police of the 11:38:05 44 next witness's statement? 11:38:06 45 11:38:07 46 MR NATHWANI: And of any other witnesses. We have 11:38:12 47 Mr Nottman's but beyond that anyone else who is likely to

be called would help. 11:38:15 1 2 11:38:15 COMMISSIONER: Yes. Who else is to be called today? 11:38:15 3 11:38:17 **4** Commissioner, there's a police officer by the 5 MR WINNEKE: 11:38:18 name of Nottman who will be called. I believe it will be 11:38:20 6 Nottman and Martin, Commissioner. 11:38:30 7 11:38:33 **8** All right, so can we give Mr Collinson and 9 COMMISSIONER: 11:38:33 11:38:36 10 Mr Nathwani a copy of - - -11:38:38 **11** MR WINNEKE: 11:38:39 12 Yes, certainly. 11:38:40 13 COMMISSIONER: Of Mr Martin's statement. 11:38:40 14 11:38:43 15 MR WINNEKE: 11:38:43 16 Yes. 11:38:43 17 COMMISSIONER: Thank you. All right, we'll have an 11:38:43 **18** adjournment until we find out what's going on. 11:38:45 **19** 11:39:10 20 (Short adjournment.) 11:39:11 21 11:39:11 22 12:05:25 23 COMMISSIONER: Yes, Ms Tittensor. 12:05:26 24 12:05:26 25 MS TITTENSOR: Thanks, Commissioner. We have Steven Martin on the screen video linking from Queensland. 12:05:29 26 12:05:31 27 12:05:31 28 COMMISSIONER: Thank you Mr Martin. Mr Martin, can you hear me?---Yes, I can ma'am, thank you. 12:05:34 29 12:05:39 30 12:05:39 **31** Let me know if at any time you're having difficulty hearing or seeing and we'll see if - - - ?---No problems at all. 12:05:43 **32** 12:05:45 **33** You can hear me okay? 12:05:46 **34** 12:05:46 **35** Yes, yes, but let me know if there's any change in that. Ι understand your preference is to take the oath?---Yes, it 12:05:50 36 12:05:52 **37** is. 12:05:52 **38** 12:05:52 **39** Thank you. If you could hold the Bible and take the oath, 12:05:56 40 thank you. 12:05:57 **41** <STEVEN ARBON MARTIN, sworn and examined:</pre> 12:05:58 42 12:06:24 43 COMMISSIONER: Yes Ms Tittensor. 12:06:24 44 12:06:26 45 12:06:27 46 MS TITTENSOR: I'll let Ms Enbom take the witness. 12:06:30 47

Do you accept that?---Yes. Yes, I do. 12:13:43 **11** 12:13:44 12 12:13:45 13 COMMISSIONER: You know who is?---Yes, I do, 12:13:49 14 ma'am, yes. 12:13:50 15 12:13:50 **16** Thank you. 12:13:50 17 MS TITTENSOR: I just wanted to ask you a little bit about 12:13:51 18 how the Drug Squad itself operated. Was it an open plan -12:13:54 19 12:13:58 20 how did it all - in the way it was set out?---It was an We did have teams, initial teams, but due to 12:14:03 21 open plan. 12:14:08 22 the nature of the operations which were guite large and 12:14:11 23 required significant resources there was times very 12:14:17 24 frequently that we worked in different teams or we assisted different teams and it was very ad hoc as to who was 12:14:22 25 working with who on a particular job. 12:14:27 26 12:14:30 27 12:14:31 28 No doubt - we see at least in this case that the operations 12:14:36 29 came to intersect and that's because of an understanding 12:14:39 **30** between people from the various teams sharing knowledge and 12:14:43 **31** coming to understand that these operations should be joined 12:14:46 32 together?---Yeah, there was many times where operations 12:14:53 33 crossed over each other and you obviously worked together 12:14:57 34 if that was the case, yes. 12:14:58 35 And you'd learn about those things by sharing knowledge and 12:14:58 36 having discussions around the office I suppose?---Yes. 12:15:02 **37** Yes, that's correct. 12:15:07 **38** 12:15:08 39 12:15:08 40 So it wasn't a situation, if we use the modern parlance, of 12:15:13 **41** there being silos and people just operating within a silo 12:15:19 42 and not sharing knowledge with the rest of the squad?---No, 12:15:27 43 When - these type of operations obviously take up, as no. 12:15:30 44 I said, a lot of resources and a lot of investigators so 12:15:34 45 there'd be a lot of sharing. 12:15:37 46 12:15:37 47 COMMISSIONER: You're familiar with the term silo, you know

.01/05/19

MARTIN XXN

what Ms Tittensor is referring to there?---Silo, I take it 12:15:40 1 12:15:45 **2** that means a team works on one job and doesn't share that 3 information with any other team within that office. 12:15:49 12:15:52 **4** MS TITTENSOR: 5 Yes. 12:15:52 12:15:53 6 7 COMMISSIONER: Thank you. 12:15:53 12:15:53 **8** For the Drug Squad investigations to be 9 MS TITTENSOR: 12:15:55 effective there needed be open discussion about what was 12:15:58 10 going on around the office?---To a point obviously. 12:16:01 11 12:16:07 12 There's obviously information that may be confidential or for operational reasons aren't shared with anybody, but 12:16:13 13 people that were required to know certain information to 12:16:16 14 assist with their investigation or to, for them to assist 12:16:20 15 12:16:24 16 with the investigation would be shared, but obviously not 12:16:26 17 all information. 12:16:29 18 Like various other offices there might be discussion in the 12:16:29 19 12:16:33 20 form of gossip about who's representing who and what certain people are up to or what they're doing; is that 12:16:37 **21** right?---As in every organisation there's office gossip. 12:16:45 22 Ι 12:16:51 23 can't comment really on that. In particular, in relation 12:16:54 24 to this job, I don't know. 12:16:59 25 Were you involved in a large operation in the earlier part 12:17:00 26 12:17:04 27 of the 90s, Operation Phalanx?---The name's familiar. 12:17:12 28 12:17:13 29 It was a large operation that went between about 1993 and 12:17:19 30 1997 and it targeted a group led by a man named John 12:17:27 **31** Higgs?---Yes, I had some involvement during that time in that operation, that's correct, yes, as I think just about 12:17:30 32 12:17:34 **33** the whole office would have. 12:17:35 **34** There came to be some difficulties in the course of that 12:17:37 35 operation, there was a controversy about a theft of some 12:17:40 36 material from the Drug Squad offices in around about 1996, 12:17:46 **37** do you recall that?---I recall that, yes. 12:17:50 **38** Yes. 12:17:54 39 12:17:54 40 Ultimately a number of people were charged at the end of 12:17:59 **41** that operation, including Mr Higgs amongst others?---Yes, I 12:18:05 42 recall that. 12:18:06 43 12:18:07 44 Do you recall the solicitor that represented Mr Higgs, 12:18:15 45 we're referring to him at the Commission as Solicitor 1, do 12:18:19 46 you know who that person is?---If you'd just bear with me 12:18:24 47 for - - -

12:18:29 1 12:18:29 **2** If you don't there'll be another - - - ?---This is Person 1? 12:18:31 3 12:18:32 **4** No, Solicitor 1. There'll be another text message to you 5 12:18:32 shortly if that's not already been communicated?---No, it 12:18:37 6 7 hasn't as yet. 12:18:41 12:18:43 8 COMMISSIONER: Is somebody sending that information? 9 12:18:43 12:18:45 10 MS TITTENSOR: It's been sent. 12:18:46 11 12:18:46 12 Thank you. 12:18:47 13 COMMISSIONER: 12:18:47 14 MS TITTENSOR: Thank you?---Yes, I've received that text. 12:18:48 15 I know of that solicitor. 12:18:54 **16** 12:18:55 17 12:18:55 18 Yes?---I do not recall that person, whether he represented John Higgs or not. 12:18:59 **19** 12:19:00 20 12:19:00 21 That was a solicitor who represented numerous people whom the Drug Squad charged over the years, would that be true 12:19:04 22 12:19:08 23 to say?---Yes, that'd be accurate, yes. 12:19:11 24 12:19:11 25 He was someone for whom the Drug Squad didn't hold a fondness, would that be true to say?---Oh, I can't really 12:19:15 26 12:19:22 27 comment on that. I can't comment on what other people's opinions are of that individual. 12:19:26 28 12:19:28 29 Well, was there discussion around the office in relation to 12:19:28 **30** 12:19:32 **31** the integrity of that solicitor?---I can't recall any 12:19:41 32 specific conversation in relation to that individual, no. 12:19:45 **33** 12:19:46 **34** There's been an article written by John Silvester in 12:19:51 35 relation to that operation which suggested that police had information that Mr Higgs had moved money through a corrupt 12:19:54 36 12:19:59 37 lawyer's trust account. Do you know anything about that?---No, I do not. I haven't read that article. 12:20:03 **38** 12:20:10 **39** 12:20:10 40 Do you know anything about the police having such 12:20:12 **41** information?---I'm unaware, sorry. 12:20:17 42 12:20:22 43 You were clearly aware at least at the time of what was 12:20:25 44 going on in relation to Operation Carron, you wrote the 12:20:28 45 final report?---Yes. 12:20:31 46 12:20:34 47 Would you have been aware at the time that the firm of

Solicitor 1 were representing a number of the people who 12:20:38 1 12:20:41 **2** were arrested in that operation?---I'm not aware who 12:20:46 **3** represented the persons charged, no. 12:20:50 4 5 Would you have been aware at the time?---Probably, yes. Ι 12:20:51 can't recall who represented them. 12:20:57 **6** 12:20:58 7 12:20:58 **8** Were you aware of Nicola Gobbo at the time representing 12:21:02 **9** people arrested by the Drug Squad?---I recall Ms Gobbo in 12:21:10 10 the court precinct representing people during bail 12:21:14 11 applications quite possibly in relation to persons that 12:21:18 12 were charged by Drug Squad members, yes. 12:21:21 13 Was there discussion about her around the office?---I can't 12:21:22 14 12:21:29 15 recall any at that time, no. No. 12:21:31 **16** 12:21:33 17 Was there a discussion around the office about seeking to 12:21:38 **18** use her to help bring her employer down in some way?---No, not to my knowledge. 12:21:46 19 12:21:47 20 The Commission has heard some material would suggest that 12:21:49 21 12:21:53 22 there was a meeting with Ms Gobbo between Mr Kruger and 12:21:58 23 Senior Sergeant Bowden on 2 February 1998, this is a number 12:22:07 24 of months after the arrests of those people in Operation You know Senior Sergeant Bowden, was he your 12:22:12 25 Carron. Senior Sergeant?---At some stage Greg Bowden was at the 12:22:16 26 12:22:20 27 office, yes, as a Senior Sergeant. 12:22:22 28 12:22:23 29 Mark Bowden?---Oh Mark Bowden, sorry. Mark Bowden, yes. 12:22:32 **30** 12:22:33 **31** There's some material that suggests Ms Gobbo was told at that meeting by Mr Kruger and Senior Sergeant Bowden that 12:22:36 32 her employer was a crook and should be in gaol or at least 12:22:41 33 12:22:45 34 not practising law, would that surprise you that they would 12:22:49 35 do that?---I wasn't party to the conversation, I'm not aware of the conversation, and I can't really comment not 12:22:54 36 12:22:57 37 knowing what it was all about. 12:22:58 **38** 12:22:59 39 She was, it seems, told at that time something to the 12:23:05 40 effect that her name was being mentioned on tapes, an OPP 12:23:12 **41** solicitor named Leon Parker was mentioned in that regard 12:23:16 42 and she was told that "mud sticks and she should get a 12:23:18 43 raincoat soon". Do you know anything about those 12:23:24 44 comments?---No. I was unaware that there was a meeting. 12:23:29 45 I've got no idea what took place at that meeting. 12:23:32 46 12:23:32 47 I'm not asking you about that but were you aware of whether

her name was being mentioned on tapes at the time that the 12:23:35 1 12:23:39 **2** Drug Squad or the OPP were listening to?---Not to my 3 recollection. The OPP listening to tapes? 12:23:46 12:23:49 **4** 5 Well, possibly listening devices or telephone intercepts or 12:23:50 something of that nature?---Not to my recollection, no. 12:23:55 **6** 12:23:58 7 12:23:59 8 Were you aware about whether there was an ongoing investigation in relation to her employer, that is the 9 12:24:02 person we know as Solicitor 1?---No, I'm not aware of that, 12:24:05 10 12:24:12 **11** no. 12:24:12 **12** 12:24:14 13 Would you have been aware at the time if there was such an investigation?---I would imagine that if there was and I 12:24:19 14 was aware of it I would recall it. I can't recall an 12:24:25 15 12:24:28 16 investigation of that individual. 12:24:30 17 12:24:31 18 Were you aware that there was some effort perhaps to obtain evidence against her employer, that is Solicitor 1, by 12:24:36 19 using his clients or clients of his firm?---No, I'm not 12:24:43 20 12:24:49 21 aware of that, no. 12:24:51 22 12:24:53 23 Were you aware that she had a prior criminal history 12:24:56 24 herself, that is that she'd been dealt with by a court in 12:25:00 25 1993 for some drug offending, that is, Ms Gobbo?---No, I wasn't aware of that. No, I was not aware of that, no. 12:25:07 26 12:25:10 27 12:25:11 28 Do you say you would remember now if you had have been told that in the past?---That she had prior convictions? 12:25:16 29 12:25:19 **30** 12:25:19 **31** Oh, not necessarily a conviction, a finding of Yes. guilt?---I can't recall. I don't think I was aware of it, 12:25:24 32 12:25:27 33 no. 12:25:28 34 12:25:30 35 It's apparent that there was some correspondence about a month after the arrests in Operation Carron. 12:25:35 **36** There was a 12:25:40 **37** fax from the OPP sent to Mr Strawhorn from Solicitor 1, attaching another fax from Solicitor 1, indicating that 12:25:48 **38** 12:25:53 **39** they'd been attempting to negotiate on behalf of one of the 12:25:57 40 clients they represented, a Mr Reid, that the police wanted 12:26:01 41 his assistance in relation to obtaining evidence against 12:26:05 42 Solicitor 1. Were you aware of that?---No, I was not aware 12:26:14 43 of that fax, no. 12:26:15 44 12:26:16 45 If you were the senior investigator in the matter would you 12:26:21 46 have been expected to have been told about this going on in 12:26:24 47 the background?---I take it from your question that that

was post-arrests? 12:26:29 1 12:26:32 **2** 12:26:32 **3** It was about a month after the arrests?---Yes, so as an 12:26:40 **4** Acting Sergeant I would have been coordinating the 12:26:43 5 investigation. Once the arrests and charges were made the police informant would be basically in charge of the brief 12:26:48 **6** 12:26:54 **7** and the court matters. What happened post-arrest I may not 12:26:59 8 have had any involvement in. 9 12:27:01 12:27:03 10 Were you aware of Mr Kruger and Mr Lim being tasked in the middle of 1998 to go and speak to Ms Gobbo for the purposes 12:27:13 11 12:27:17 12 of her providing some information about her employer?---No, 12:27:25 13 I'm not aware of that, no. 12:27:26 14 And you can't say at what stage in 1998 you left the Drug 12:27:29 **15** 12:27:34 **16** Squad currently?---I would say it would have been early 98 12:27:44 17 but I honestly can't recall which month. 12:27:46 18 In 2001 to 2007 you were at the Armed Offenders Squad; is 12:27:49 19 12:27:56 20 that right?---That's correct. 12:27:56 **21** 12:27:57 **22** You also undertook some temporary duties at the Homicide 12:28:02 23 Squad?---Yes, that's right. 12:28:03 24 And your rank during that period was as a Detective 12:28:03 25 Sergeant?---No, I was a Detective Senior Constable still at 12:28:07 26 12:28:19 27 the Armed Offenders Squad. 12:28:20 28 12:28:21 29 Did you do some work during that period - - - ?---I may have done that. 12:28:25 **30** 12:28:26 **31** 12:28:26 32 Sorry?---Sorry, I may have done Acting Sergeant duties. 12:28:30 33 12:28:30 **34** Did your work include some work with those that were Yes. 12:28:36 **35** attached to the Purana Task Force?---In relation to Purana 12:28:44 36 investigations? 12:28:44 37 Yes?---Possibly assisting Purana with some inquiries but 12:28:45 **38** 12:28:58 **39** not working with them as such in an investigation in 12:29:02 40 Purana, no. 12:29:02 41 12:29:03 42 Were you aware that Ms Gobbo was representing people that 12:29:05 43 the Purana Task Force had an interest in?---Not 12:29:10 44 specifically but, again, it wouldn't surprise me, no. 12:29:15 45 12:29:19 46 Did that also include some work with those that were 12:29:22 47 attached to the Major Drug Investigation Division or the

Drug Task Force during that period of time?---I can't 12:29:25 1 12:29:35 **2** recall whether I worked on any particular jobs with the 3 Major Drug Investigation Division whilst I was at the Armed 12:29:39 12:29:43 **4** Offenders. Again, if there was large operations within the 5 Crime Department we may have assisted at some stage with a 12:29:48 large operation. 12:29:53 **6** 12:29:53 **7** 12:29:53 **8** Were you listed as a witness on a brief for someone called Mr Bickley 9 who was arrested in 2005?---Possibly. 12:29:57 12:30:04 10 12:30:06 11 That was a brief in relation to a drug matter. Do vou 12:30:13 12 recall a Detective Sergeant Steve Mansell in the drug 12:30:21 13 division?---I know Steve Mansell, yes. I don't know what my role in that job was. 12:30:25 14 12:30:27 15 12:30:30 16 Do you recall a Detective Senior Constable Paul Rowe?---Yes. 12:30:35 17 12:30:36 18 That was headed by Detective Inspector Jim O'Brien?---Yes, 12:30:38 19 12:30:45 20 I know Jim. 12:30:46 21 It seems as though upon the arrest of Mr Bickley 12:30:47 22 his 12:30:54 23 interests were being represented by Ms Gobbo. Do you have 12:30:58 24 any recollection of that?---No, I was unaware of that. 12:31:05 25 And it seems to be about that time that she starts in 12:31:05 26 12:31:08 27 earnest talking with the police and then becomes involved 12:31:13 28 with the SDU, do you know anything about that?---No, I 12:31:18 29 don't, no. 12:31:19 **30** 12:31:21 **31** Did you have any involvement with Operation Posse?---I can't recall the name off the top of my head, no. 12:31:32 **32** 12:31:34 33 In 2007 you were the team leader of the Major Drug 12:31:35 **34** 12:31:40 35 Investigation Division; is that right?---Yes. 12:31:42 **36** 12:31:47 **37** Would you receive briefings from Detective Inspector Jim O'Brien?---Yes, if there was an operation that we were 12:31:51 38 12:31:59 **39** involved in, yes. 12:32:00 40 12:32:01 41 It seems that he was in charge of something by the name of 12:32:05 42 Operation Posse which dealt with major, investigations into 12:32:15 **43** major drug enterprises and it seems related to various of 12:32:20 44 Ms Gobbo's clients or the information that was coming from 12:32:24 45 Ms Gobbo was feeding that operation, do you recall?---I'm 12:32:31 46 unaware of Ms Gobbo feeding any information to Mr O'Brien 12:32:35 47 and without some documentation of what involvement I had in

12:32:41	1	Posse I can't recall what I did on that job.
12:32:44	2	
12:32:44	3	Do you recall receiving briefings of information,
12:32:48	4	containing information, whether or not you know where it
12:32:51	5	came from initially, from Jim O'Brien during the period
12:32:54	6	that you were the team leader of the drug
12:33:00	7	division?Information in relation to?
12:33:02	8	
12:33:02	9	Drug operations or drug related information?If
12:33:11	10	Mr O'Brien was there at the time he probably briefed us on
12:33:16	11	operations. I can't recall any specifics.
12:33:19	12	
12:33:21	13	How were you receiving your intelligence primarily during
12:33:25	14	that time, was it by way of information?Information
12:33:29	15	reports.
12:33:29	16	•
12:33:29	17	Were you getting verbal ?Not - if you're talking
12:33:38	18	about intelligence from informers we're dealing with
12:33:44		information reports.
12:33:44		
12:33:44		Simply if it was information that needed to be conveyed in
12:33:49		quick time would you receive verbal briefings?I can't
12:33:56		recall any, no.
12:33:57		
12:33:07		It's apparent from information received by the Commission
12:34:06		that a significant number of people within Victoria Police
12:31:00		outside of the SDU knew Ms Gobbo's status as an informer
12:34:15		during the period of time that she was informing. Did you
12:31:13		have any suspicions yourself about her involvement with the
12:31:10		police during that period of time?No, I didn't, no.
12:34:27		portoo during chac portod of chilo. No, i didir c, no.
12:31:27	32	In 2009 to 18 you were stationed at the Homicide Squad and
12:34:40	33	doing some temporary duties at the Human Source Management
12:34:40		Unit; is that right?That's correct.
12:34:44		sine, to chae right. That o borroot.
12:34:45		You were involved in an investigation of some threats made
12:34:40		against Ms Gobbo in 2014, do you recall that?That's
12:34:50		correct, yes, I do.
12:34:57	39	
12:34:58		That involved a threatening letter and some bullets being
12:34:38		put in her letter box; is that right?That's correct,
12:35:02		yes.
12:35:05	42	, , , , , , , , , ,
12:35:05	43 44	Did you become aware during that investigation that
12:35:06		previously her car had been fire bombed in 2008?I can't
12:35:10		recall that. I may have been told that but I certainly
12:35:18		can't recall it.
12.33.24	71	

12:35:25 1 2 Were you given any information in the course of your 12:35:26 investigation by anyone at Victoria Police about the 12:35:28 3 12:35:30 4 possible motivation for such threats against Ms Gobbo?---No. 5 12:35:36 12:35:37 6 7 You weren't told that Ms Gobbo was informing against some 12:35:38 12:35:43 **8** pretty heavy people and that might provide some motivation about the threats being made?---I think at that stage I was 9 12:35:48 12:35:55 10 aware that Ms Gobbo had assisted Victoria Police and, yes, that would have been a motivation and the message that was 12:36:00 11 12:36:03 12 handwritten on the car certainly suggests that. 12:36:06 13 In what way were you aware that she'd been assisting 12:36:07 14 Victoria Police?---At that stage I heard that she had been 12:36:10 15 12:36:15 **16** assisting Victoria Police. 12:36:16 17 12:36:17 18 In what way?---I don't know who from. Again, I can't recall how I came to have that information but in 2014 when 12:36:21 19 12:36:26 20 we conducted that investigation I was aware that she had assisted. 12:36:30 21 12:36:30 22 12:36:31 23 It was public knowledge by that stage at least that she had 12:36:35 24 provided a statement against Paul Dale and was potentially going to be a witness against him in a number of 12:36:41 25 12:36:45 26 proceedinas. Were you aware that her assistance to 12:36:48 27 Victoria Police went beyond the making of a statement in relation to Paul Dale?---I can't recall whether I was aware 12:36:52 28 of any other assistance. I certainly knew she was a 12:36:59 29 witness and on the information report in relation to that 12:37:03 **30** 12:37:06 **31** investigation she was listed as a witness. 12:37:10 32 Perhaps if we can come at it in another way. At some stage 12:37:12 **33** 12:37:16 34 you found out that she was an informer against her clients 12:37:19 35 who were pretty well-known underworld figures?---I was I don't know who she 12:37:23 **36** aware that she'd provided assistance. 12:37:27 **37** provided assistance on but at some stage, at the time we were conducting that investigation, I was aware that she 12:37:30 **38** 12:37:33 **39** had provided some assistance, yes. 12:37:34 **40** 12:37:34 41 In relation to Paul Dale - what I'm getting at is was it in 12:37:40 42 relation to Paul Dale or was it in relation to her clients 12:37:42 43 and other underworld figures?---I don't know who she was 12:37:45 44 providing information on. When you say her clients, I 12:37:49 45 don't know who. I was aware that she had provided 12:37:52 46 information. Not who or whether they were her clients or 12:38:01 47 who she'd provided it to, I don't know.

12:38:03 1 12:38:04 2 Ultimately, at least recently, you well know that she's provided significant information against various or about 12:38:12 3 various underworld people; is that right?---Only from what 12:38:16 4 I've seen in the media. 5 12:38:22 12:38:23 6 Yes?---Yes. 7 12:38:24 12:38:25 8 Is that only recently that you've learnt that information 9 12:38:25 or is that something that you knew back when you were 12:38:29 10 conducting this investigation in 2014?---No, that was only 12:38:32 **11** 12:38:37 12 recently through media in relation to the type of person she was informing on, if you want to put it in that words, 12:38:42 13 but at that time I knew she had provided assistance, had 12:38:46 14 provided information, I didn't - go on. 12:38:50 15 12:38:51 16 12:38:52 17 So when you were conducting this investigation no one gave 12:38:54 18 you a briefing about those possible motivations?---No, I got a briefing from the Detective Inspector at the time. 12:39:00 19 12:39:06 20 She was a witness at that stage and that was how she was 12:39:10 21 referred, as a witness. 12:39:12 22 12:39:14 23 I just want to ask you some questions about your training. 12:39:17 24 12:39:17 25 COMMISSIONER: Just before you leave that topic. Sorry, Mr Martin, you said back in 2014 you were investigating the 12:39:19 26 12:39:22 27 threats to Nicola Gobbo. You knew - - - ?---Yes, ma'am. 12:39:27 28 - - - somehow, you're not sure how, but you knew somehow 12:39:28 29 that she had assisted Victoria Police?---Yes. 12:39:34 **30** 12:39:36 **31** 12:39:36 32 But you said that you were not given any information from 12:39:39 33 Victoria Police as to the reason for the threats?---I 12:39:44 **34** wasn't provided a reason, ma'am, it was probably pretty 12:39:49 35 self-explanatory from the note that she had made some type of assistance and that's the reason for the threat. 12:39:53 **36** 12:39:55 37 That was the extent of the briefing you were given by 12:39:55 **38** 12:39:58 39 Victoria Police as to the background of this?---The 12:40:04 40 briefing, the brief I received in 2014 was basically in 12:40:09 41 relation to the threat and the fact that she was a witness. 12:40:13 42 I was aware that she'd provided information. I can't 12:40:16 43 recall any discussion in relation to her being a human 12:40:20 44 source. 12:40:23 45 12:40:23 46 Yes, all right then. As we now know she had been a very 12:40:29 47 active human source. It would be very relevant, wouldn't

MARTIN XXN

12:40:32	1	it, to your investigation to know that in case there were
12:40:37	2	reasons for the threats coming from that assistance that
12:40:40	3	she gave to police?Yes, ma'am. Well I was aware that
12:40:47	4	she was providing assistance and providing
12:40:51	5	information
12:40:52	6	
12:40:52	7	Yes, but the police didn't give you details of that where
12:40:55	8	there could be other suspects who could have been involved
12:40:57	9	in these threats against her, is that what you're
12:40:59	10	saying?No, I was not told who she provided information
12:41:02	11	on, no.
12:41:03	12	
12:41:03	13	No, thank you?We weren't privy to that confidential
12:41:07	14	information, no.
12:41:07	15	
12:41:08	16	Thank you.
12:41:08	17	
12:41:09	18	MS TITTENSOR: Just for the purposes of the transcript, I
12:41:11	19	won't tender this document, but we've been provided an
12:41:14	20	information report which is dated 20 June 2014 indicating
12:41:23	21	that the information about the threat was received on 19
12:41:26	22	June 2014. I just say that in case there's other material
12:41:31	23	about other information that was apposite around that time.
12:41:39	24	I'm not sure exactly what date the Herald Sun proceedings
12:41:43	25	were occurring, Commissioner?I think - yeah, the threat
12:41:48	26	was on 18 June from memory and we were briefed on the 20th.
12:41:53	27	But we certainly were not given a list of names.
12:42:00	28	
12:42:00	29	COMMISSIONER: Thank you.
12:42:01	30	
12:42:01	31	MS TITTENSOR: Thanks Mr Martin. If I can just take you to
12:42:05	32	some matters about your training in terms of your knowledge
12:42:12	33	of an accused person's right to silence. That, I take it,
12:42:18		is something that you are taught as a basic from the time
12:42:22		of your recruitment into the Academy?Yes, that would be
12:42:28		accurate, yes.
12:42:28		
12:42:28		It's something, it's one of the rights you give an accused
12:42:31		first up if you're arresting them; is that right?Yes, it
12:42:36		is.
12:42:36		
12:42:36		Quite a fundamental right?Yes, in the Crimes Act.
12:42:41	43	
12:42:43		Similarly the right to legal representation, another
12:42:47		fundamental right?Yes.
12:42:48		
12:42:49	47	And when a person ?Yes, it is.

12:42:51 1 12:42:51 **2** When a person chooses to exercise that right to see a lawyer, is it a right that they exercise in private or a 12:42:54 3 12:43:02 **4** right that they exercise in the presence of a police officer?---Can you rephrase that question please? 5 12:43:05 I didn't quite get that. 12:43:14 6 12:43:14 7 12:43:15 **8** When a person asks to speak to a lawyer - I'll just ask it in a different way - you give them privacy so that they can 12:43:20 9 speak to the lawyer and give them full and frank 12:43:25 10 instructions, the police don't get to overhear what the 12:43:27 11 12:43:30 12 instructions are; is that right?---Yes, that's correct. 12:43:32 13 12:43:35 14 What training have you received in relation to the concept of legal professional privilege?---We would have covered 12:43:39 15 12:43:45 16 legal professional privilege at Detective Training School 12:43:49 17 and Advanced Detective Training School. 12:43:52 **18** What's your understanding of that concept?---That the 12:43:52 19 12:43:58 20 privilege lies with the client to claim legal professional 12:44:06 21 privilege. 12:44:06 22 12:44:06 23 And likewise public interest immunity, if you've got Yes. 12:44:15 **24** material that otherwise might be the subject of disclosure to someone that's been charged, what is your practice in 12:44:20 25 relation to not disclosing that material and claiming 12:44:24 26 12:44:29 27 public interest immunity, what has been your practice?---If 12:44:35 **28** we're claiming public interest immunity we normally would 12:44:38 29 be going through the OPP to claim that. 12:44:41 30 12:44:42 **31** Is it something that you just don't tell anyone about and don't disclose or is it something that you need certain 12:44:46 32 12:44:51 33 people to be made aware of so that an appropriate decision 12:44:54 **34** can be made?---It'd be something you would escalate to 12:44:59 35 obtain legal advice if you believe something needs to be claimed as PII. 12:45:03 **36** 12:45:04 37 And when those issues arise, in relation to the various 12:45:05 **38** 12:45:10 **39** squads that you've worked in through your career there was 12:45:14 40 the ability to obtain that advice?---Yes, there is, yes. 12:45:22 **41** Through the Victorian Government Solicitor's office. 12:45:26 42 12:45:35 43 Thank you Commissioner. 12:45:35 44 Mr Nathwani, is it you? COMMISSIONER: 12:45:36 45 46 47 <CROSS-EXAMINED BY MR NATHWANI:

1 2 Just dealing with 2014 to try and jog your memory and the 12:45:40 narrative in relation to the bullets sent to Ms Gobbo. 3 Do 12:45:43 12:45:48 **4** you recall that she in fact informed Detective Inspector 5 John Potter - does that name ring any bells to you?---Yes, 12:45:52 that's correct. Mr Potter was the officer-in-charge of 12:45:58 6 Homicide at the time. 7 12:46:02 12:46:03 8 He was the one who received the bullets and he was the one 9 12:46:03 who then passed the investigation on to you to 12:46:07 10 investigate?---The investigation was passed on to Detective 12:46:10 **11** 12:46:17 12 Senior Constable Booth. I was the Sergeant in charge of the team that Ms Booth was on at the time. 12:46:20 13 12:46:23 14 Understood. So as far as the initial contact, Inspector 12:46:23 15 12:46:28 16 John Potter and we might get some more information from him 12:46:33 17 as to what may or may not have been spoken to with you, do 12:46:37 **18** you agree?---Yes, we had a briefing where Mr Potter explained the threats and then we were given the task of 12:46:40 19 12:46:46 20 conducting that investigation and Ms Booth did that. 12:46:50 21 12:46:53 22 Can I now go back please to the document you were looking 12:46:55 23 at, our document RC66, and it's the third page. It's the 12:46:59 24 final report communication in relation to Carron?---Yes. 12:47:05 25 I just want to look at Mr Arnautovic and what you say about 12:47:05 26 12:47:11 27 his arrest and the evidence as it related to him at the 12:47:14 28 This is on the third page, the second paragraph, you time. detail the arrests of people there. I just want to read 12:47:20 29 It says, "Baseball centre, Altona. 12:47:22 30 out what's said. 12:47:26 **31** Jackson and Arnautovic arrested by members of the Special 12:47:30 **32** Operations Group after supplying with 9 ounces of high grade heroin. 12:47:34 **33** in possession of Jackson 12:47:40 **34** \$67,500 by money handed to him by the 12:47:43 35 and armed with a pistol. Further 9 ounces of high grade heroin located in the vicinity of the buy/bust site". 12:47:48 36 Can you see that?---I haven't picked it up. Do you have a 12:47:53 **37** paragraph? 12:47:56 **38** 12:47:59 **39** 12:47:59 **40** Sorry, my fault. 12:48:00 41 12:48:00 42 COMMISSIONER: Page 3, second paragraph. 12:48:04 43 12:48:05 44 MR NATHWANI: Just in relation to the arrest of Arnautovic and Jackson ?--- My pages might be different to yours. 12:48:10 45 My p.3 starts at "real estate shop". 12:48:24 46 12:48:27 47

Yes, the next paragraph. So if you read what you were just 12:48:30 1 2 reading?---Yes, I've got it, yes. 12:48:34 3 12:48:36 12:48:36 **4** Good. Am I right in saying the evidence as against 5 Arnautovic was a covert operative of Victoria Police with 12:48:40 arranged to buy drugs from 12:48:43 6 the Jackson ?---Yes. 7 Arnautovic and 12:48:49 12:48:51 8 And in the process of doing so arrested by other officers, 9 12:48:51 yeah; is that right?---Yes. 12:48:57 10 12:49:03 **11** 12:49:03 12 Am I right in saying his hand-up brief, that's Arnautovic, and then the depositions that followed, would have had an 12:49:07 13 indication that in effect he was a subject of a drugs bust 12:49:10 14 with an undercover police operative?---The hand-up brief, 12:49:13 15 12:49:19 **16** without seeing it, I would imagine would have a statement 12:49:21 17 from the covert operative. 12:49:22 18 And so would it surprise you then, looking at 12:49:22 19 Absolutely. that, that his ultimate defence, because he had a trial, 12:49:26 20 was entrapment?---No, not at all. 12:49:30 21 12:49:36 22 12:49:36 23 Absolutely. Thank you very much. 12:49:41 24 12:49:42 25 COMMISSIONER: No questions? 12:49:42 26 12:49:43 27 MS BUTTON: No questions. 12:49:44 28 12:49:44 29 COMMISSIONER: No questions? 12:49:45 **30** 12:49:45 **31** MS O'GORMAN: No questions. 12:49:46 32 12:49:46 33 MS ENBOM: No re-examination. 12:49:48 34 12:49:50 35 MS TITTENSOR: Commissioner, we've just had a second I might tender that information report. 12:49:52 36 thought. I think 12:49:55 37 we have a redacted form of it. VPL.0005.0078.0001. 12:50:05 38 12:50:05 **39** COMMISSIONER: So give me some more details about it. 12:50:08 40 What's the date of it, et cetera? 12:50:09 41 12:50:10 42 MS TITTENSOR: We might arrange for a more redacted version 12:50:15 43 because apparently there are some irrelevant documents 12:50:19 44 which have come through with an information report at the 12:50:22 45 back of it. It's an information report dated 20 June 2014. 12:50:29 46 12:50:30 47 COMMISSIONER: Yes, thank you. In due course that redacted

What after that? 12:52:29 22 12:52:34 23 12:52:35 24 MR WINNEKE: It may well be that we will be shy of a witness, Commissioner, at 2.30 but we'll see how we go over 12:52:37 25 lunch to see if we can arrange - just excuse me. 12:52:43 26 12:52:46 27 12:52:46 28 COMMISSIONER: I note there are a number of Victoria Police or former Victoria Police witnesses who have been given 12:52:53 29 12:52:58 **30** notices to attend returnable today. 12:53:01 **31** 12:53:01 32 MR WINNEKE: That's correct. There's a police officer by the name of Police Officer 1, there's another one Bartlett. 12:53:03 33 12:53:08 34 I gather we're waiting for information from our learned 12:53:12 35 friends with respect to Mr Bartlett. 12:53:13 **36** And also Police Officer 1 as I understand it 12:53:14 **37** COMMISSIONER: 12:53:17 **38** too. 12:53:18 **39** 12:53:19 40 MR WINNEKE: And with Police Officer 1. There may be a 12:53:19 **41** difficulty with Police Officer 1 in the sense that it's 12:53:24 42 been - there are difficulties in communicating with him at 12:53:27 43 present as far as - - -12:53:28 44 12:53:28 45 COMMISSIONER: You know it should be understood that 12:53:30 46 notices to attend before the Royal Commission aren't 12:53:34 47 optional, the *Inquiries Act* is very strict about this.

1 People are required to attend unless they're given - the 12:53:38 12:53:42 2 Commissioner is satisfied that there's a reasonable excuse 3 for them not to attend. 12:53:44 12:53:46 **4** MR WINNEKE: That will be made clear as far as Police 5 12:53:47 Officer 1 is concerned, Commissioner. It may well be that 12**:**53**:**50 **6** 12:53:53 **7** we have some assistance from - -12:53:56 **8** Commissioner, may I raise two matters. 9 MS ENBOM: The 12:53:57 12:53:59 10 first is that we had informed counsel assisting that that person's name was not to be mentioned in an open hearing at 12:54:02 11 12:54:06 12 this stage because if he is required to give evidence - and 12:54:09 13 we'll be seeking a suppression order in relation to his identity, so I would ask that his name not be streamed. 12:54:12 14 12:54:16 15 12:54:16 **16** COMMISSIONER: All right. That can be taken from the 12:54:17 **17** The name of Police Officer 1 has to be removed record. 12:54:22 18 from the record before it's streamed, thank you. 12:54:25 19 12:54:25 20 MS ENBOM: And that an interim order be made that his name not be published until we've provided the material in 12:54:28 21 relation to him. So that's Police Officer 1. 12:54:32 22 12:54:36 23 12:54:37 24 COMMISSIONER: Just a moment. For the time being I make an 12:54:59 25 order prohibiting the publication of the name of Police Officer 1 as there is a possibility that harm to him could 12:55:08 26 12:55:14 27 flow if that is published, and I cause a copy of that order 12:55:21 28 to be posted on the door of this hearing room. 12:55:26 29 12:55:26 **30** MS ENBOM: Thank you, Commissioner. The other matter in relation to that witness is that he has sought to be 12:55:28 **31** 12:55:31 32 excused on medical grounds. 12:55:33 33 Yes, I've been shown the medical grounds 12:55:33 **34** COMMISSIONER: 12:55:35 **35** which I did not at first blush consider were a satisfactory reason for non-attendance and I've asked that that be 12:55:43 **36** 12:55:46 **37** conveyed to Victoria Police some days ago. 12:55:49 **38** 12:55:50 39 Yes, and that was conveyed and as I understand MS ENBOM: 12:55:52 40 it further medical material - - -12:55:54 **41** 12:55:54 42 COMMISSIONER: And I gave the same indication having seen 12:55:56 43 that further medical material. 12:55:59 44 12:55:59 45 Thank you, Commissioner, that hadn't been MS ENBOM: 12:56:01 46 conveyed to us. 12:56:02 47

1 COMMISSIONER: And I also conveyed that we could do a 12:56:02 12:56:04 2 hearing via telephone. No statement has as yet been 3 provided, although notice has been given since 18 April 12:56:12 12:56:15 4 that this witness would be needed today. 5 12:56:18 MS ENBOM: Yes. I wasn't aware of that, Commissioner, so 12:56:18 6 12:56:20 7 I'll obtain some instructions as to whether the witness is 12:56:24 8 prepared to give evidence via telephone. 9 12:56:26 12:56:26 10 COMMISSIONER: It's not a question of being prepared to. There is a notice to attend requiring his presence here 12:56:29 11 He has not yet satisfied the Commission of a 12:56:33 12 today. 12:56:36 13 reasonable excuse why he's not coming. 12:56:40 14 Yes, the difficulty, Commissioner, which has 12:56:40 15 MS ENBOM: 12:56:42 16 been conveyed is that due to his medical condition he has ceased contact with us. We're trying to deal with that 12:56:46 17 12:56:50 18 issue. 12:56:51 19 COMMISSIONER: 12:56:51 20 I see. 12:56:52 21 The third matter is - - -MS ENBOM: 12:56:52 22 12:56:55 23 COMMISSIONER: 12:56:55 24 You are acting for him though at the moment? 12:56:59 25 MS ENBOM: Yes, but he's ceased contact. 12:57:00 26 12:57:01 27 12:57:01 28 COMMISSIONER: I see. This is very difficult. 12:57:02 29 It is, it is. 12:57:03 **30** MS ENBOM: 12:57:03 **31** 12:57:04 32 COMMISSIONER: It's very - and unsatisfactory because if 12:57:07 33 he's ceased contact with you perhaps you should cease to 12:57:11 34 act and then he can be brought before the Commission in 12:57:13 35 some other way. 12:57:15 **36** 12:57:16 **37** MS ENBOM: Yes, this is something that needs to be - - -12:57:18 **38** 12:57:18 **39** COMMISSIONER: I am sympathetic if he has a genuine medical 12:57:22 **40** condition that means he can't come before the Commission. 12:57:26 **41** I don't know whether his evidence will even be relevant or 12:57:28 42 is needed because we don't have any information. I don't 12:57:32 **43** think we even have - anyway, we have no information. 12:57:35 44 12:57:35 45 MS ENBOM: Yes. He ceased contact yesterday afternoon, 12:57:37 46 Commissioner, so this is a very recent development. 12:57:39 47

1 COMMISSIONER: I see. But someone somehow should make it 12:57:39 2 clear to him - in that case I mean perhaps a warrant will 12:57:42 3 have to be issued for his arrest to bring him before the 12:57:46 12:57:49 **4** Commission. This is - these things aren't optional. There 5 is a notice to attend and he is required to attend. It's a 12:57:54 strict - - -12:57:58 6 7 12:57:58 12:57:59 **8** MS ENBOM: Yes. Commissioner, can I just explain that he did seek to be excused and I had not understood until it 9 12:58:01 12:58:06 10 was just raised then that a decision had been made on the latest material that had been provided that he would not be 12:58:10 11 12:58:14 12 excused. That hadn't been conveyed to me but I will deal 12:58:19 13 with this over the lunch break. 12:58:19 14 COMMISSIONER: Obviously I will hear an application if 12:58:20 15 12:58:22 16 you're going to make one. I wasn't prejudging the issue 12:58:26 17 but I wasn't prepared to make an order excusing him simply 12:58:30 18 on that material. 12:58:33 19 MS ENBOM: Yes. 12:58:33 20 I'll deal with it over the lunch break. 12:58:37 21 COMMISSIONER: 12:58:37 22 Thank you. 12:58:38 23 12:58:38 24 MS ENBOM: And speak to counsel assisting over the lunch 12:58:40 25 break about it. 12:58:41 26 12:58:41 27 COMMISSIONER: Thank you. 12:58:42 28 12:58:42 29 The third matter is that we were informed that MS ENBOM: 12:58:44 30 the only witnesses required today would be the two 12:58:47 **31** witnesses who have given evidence after Mr Strawhorn and 12:58:51 32 Mr Nottman, but if that position has changed and that counsel assisting would now like another witness, we will 12:58:55 **33** 12:58:57 34 do everything we can over the lunch break to get another 12:59:00 35 witness here. 12:59:01 36 12:59:01 37 COMMISSIONER: I see. I see. All right then. I think another witness who was given notice to attend today was 12:59:06 38 12:59:13 39 Mr De Santo. 12:59:16 40 12:59:16 **41** Yes, but as I understand it - - -MS ENBOM: 12:59:18 42 12:59:18 43 COMMISSIONER: You were told he wasn't needed today. 12:59:21 44 12:59:21 45 MS ENBOM: Yes. 12:59:21 46 12:59:21 47 COMMISSIONER: All right then. We'll adjourn until 2

14:15:38	19	days allowed civilians to engage in non-evidentiary drug
14:15:42	20	transactions, is that right?I think it was a bit broader
14:15:46	21	than that from memory, but yes, that's essentially it with
14:15:48	22	the permission of a Senior Sergeant or above from
14:15:50	23	recollection.
14:15:50	24	
14:15:51	25	It essentially allowed civilians to engage in drug
14:15:54	26	transactions without fear of being prosecuted?Yes, under
14:15:58	27	directions, yes.
14:15:59	28	
14:16:06		Can you recall how many teams there were at the Drug Squad
14:16:09		at the time you were there?There was three teams.
14:16:13		Sorry, three units I should say. Each unit had a Detective
14:16:19	32	Inspector in charge of it and within each unit there was
14:16:23	33	probably four or five teams led by, or overseen by a Senior
14:16:29		Sergeant and each team would have been led by a Detective
14:16:33		Sergeant.
14:16:33		
14:16:33		And what's the role of a Detective Inspector?It was
14:16:38		really oversee and manage, the oversight of investigations,
14:16:44		manage investigations, manage risk.
14:16:46		
14:16:46		And then what's the role under that of the Senior Sergeant,
14:16:50	42	Detective Senior Sergeant?Probably as a more hands-on
14:16:53	43	conduit between the members who are actually conducting the
14:16:58	44	investigations and the management, being the Inspector.
14:17:00	45	
14:17:01		That is the Detective Sergeants that are running the
14:17:03	47	investigations?Directly responsible for running

investigations on a day-to-day basis with their teams. 14:17:05 1 2 14:17:08 3 How involved would a Detective Inspector be in an 14:17:09 14:17:12 **4** investigation itself?---The Detective Inspector would be kept appraised of what the status of the investigation was 5 14:17:20 14:17:24 6 but in particular was roles in relation - roles and policies and procedures in relation to all the things we've 14:17:27 **7** 14:17:31 **8** mentioned before like informants, use of telephone intercepts, purchase of drugs, execution of search 9 14:17:34 14:17:39 10 warrants, expenditure of drug purchase money. There was lots of responsibilities in relation to those, those 14:17:42 **11** 14:17:44 12 aspects of the investigation which took up a fair bit of 14:17:47 13 the time. 14:17:48 14 Can you recall which unit you were in charge of?---I was in 14:17:49 15 14:17:53 **16** charge of unit 1 throughout that period but from time to time if another Detective Inspector may be absent you might 14:17:59 17 14:18:04 18 have a temporary role of another unit. 14:18:06 19 14:18:10 20 Do you recall who was in charge of team 2 at the time or unit 2?---The Detective Inspector's role, that changed 14:18:16 21 14:18:22 22 over, I think there were several over that period of time I 14:18:25 23 was there. 14:18:27 24 14:18:28 25 The Detective Senior Sergeant in charge of unit 2 was someone by the name of Mark Bowden we understand. 14:18:33 26 Do vou 14:18:36 27 remember Mr Bowden?---I recall him but I don't recall him 14:18:40 28 being there when I was there. He may have been for a short 14:18:43 29 time but I don't have a recollection specifically of him 14:18:49 30 being there. 14:18:50 **31** 14:18:51 32 When you go into that squad were you given a briefing as to 14:18:56 33 the matters that were on the books or the investigations 14:18:58 34 that were underway?---Yes. 14:18:59 35 And you're given a briefing about the court processes that 14:19:02 36 14:19:06 37 are underway as a result of previous investigations?---Look I don't recall. 14:19:10 38 14:19:13 39 14:19:13 40 You expect you would have been in terms of knowing what the 14:19:16 **41** troops were doing?---For ongoing court matters not so much, 14:19:21 42 for ongoing operational matters, ongoing investigations 14:19:25 43 yes, but the prosecutorial side of it probably not or 14:19:29 44 possibly not. 14:19:30 45 14:19:30 46 You would have become aware in your role of the various 14:19:34 47 informers that were being run by various members of the

Drug Squad?---Yes, I have a good appreciation of that but 1 14:19:37 2 not by their name. 14:19:43 3 14:19:45 14:19:45 **4** You might recall numbers and so forth?---That's right. 5 14:19:49 You might know a name, for instance, if you were involved 14:19:50 6 as a controller?---Yes. 7 14:19:54 14:19:56 **8** And is it the case that in relation to at least one or 9 14:19:58 maybe more you took over the control of an informer who was 14:20:02 10 being handled by Mr Strawhorn and the previous controller 14:20:09 11 14:20:13 12 being Mr Bowden?---I don't recall that, no. 14:20:16 13 14:20:19 14 In relation to a number of the diary entries that you've recently provided to the Commission, you recall that 14:20:23 15 14:20:28 16 particular person that those entries relate to?---Yes. 14:20:34 17 14:20:35 18 Was that a person for whom you were a controller and Mr Strawhorn was a handler?---Not to my recollection, no. 14:20:40 19 14:20:43 20 Did you become - sorry, I might just raise one matter with 14:20:48 21 my friend. 14:20:55 22 14:20:56 23 14:20:57 24 (Discussion at the Bar table.) 25 Perhaps if the witness might be given that list or the 14:21:07 26 14:21:11 27 schedule of people that we were using yesterday. 14:21:15 28 14:21:15 **29** COMMISSIONER: Yes. It's Exhibit 81. Does he need to be told about Kruger? 14:21:20 **30** 14:21:22 **31** 14:21:23 **32** MS TITTENSOR: We might add it to that. 14:21:32 **33** 14:21:32 34 COMMISSIONER: So you'll place on the record what you're 14:21:35 35 adding to that document? 14:21:37 **36** 14:21:39 **37** MS TITTENSOR: I am adding the name of Solicitor 1. 14:21:43 **38** 14:21:44 39 COMMISSIONER: Yes. 14:21:44 40 14:21:45 **41** MS TITTENSOR: And I'm adding the name of Kruger. 14:21:49 42 14:21:49 43 COMMISSIONER: Thank you. 14:21:55 44 14:22:09 45 MS TITTENSOR: Just for your own edification, Mr Nottman, 14:22:12 46 we're using a list of pseudonyms for a number of people in 14:22:18 47 the course of the Commission. On the left-hand side is the

14:22:25 **1** name or the reference that we're using, on the right-hand 14:22:27 **2** side is the true name of the person?---Yes, understood. 14:22:29 **3** 14:22:29 **4** In relation to Solicitor 1, did you become aware of some strong feelings in the Drug Squad about that particular 14:22:33 5 14:22:35 **6** person?---I have no recollections of any strong feelings 14:22:39 7 about him. 14:22:40 **8** 14:22:40 **9** Were you aware of Ms Gobbo working or representing various people who were charged by the Drug Squad during the time 14:22:44 10 that you were there?---No, not really, no. 14:22:47 11 I guess I now 14:22:57 12 have a vague recollection of her representing one person 14:23:01 13 but I can't recall who she represented. 14:23:04 14 And that one person is the person with whom your diary 14:23:05 15 14:23:09 16 entries indicated you were meeting with her in relation 14:23:12 17 to?---That's correct. 14:23:13 18 And that is the person listed there as Person 2?---Yes, I 14:23:13 19 14:23:23 20 believe that - yeah, yes. Exactly, yes. 14:23:27 21 There's some material before the Commission that indicates 14:23:29 22 14:23:32 23 that members of the Drug Squad, being Mr Bowden and 14:23:39 24 Mr Kruger, who is listed, his pseudonym is listed there, 14:23:46 25 met with Ms Gobbo in February of 1988. This is a number of months before you arrived at the Drug Squad. She was at 14:23:51 26 14:23:56 27 that stage working for Solicitor 1. At that stage they 14:24:01 28 told her that her employer was a crook and should be in gaol and not practising law, that her name was being 14:24:04 29 14:24:09 30 mentioned on tapes, that mud sticks, that she should get a 14:24:14 **31** raincoat, that there was an ongoing investigation, presumably in relation to her employer, there was reference 14:24:18 32 14:24:20 33 to getting evidence from clients, presumably again in She was offered protection for 14:24:25 **34** relation to the employer. 14:24:29 35 She was told that no one would believe that assistance. she had no knowledge or couldn't have known and they 14:24:34 36 referred to knowledge of her having a prior criminal 14:24:37 **37** Now were you made aware of anything like 14:24:41 38 history. 14:24:47 39 that?---No. 14:24:47 40 14:24:47 **41** When you started at the Drug Squad a number of months 14:24:51 **42** later?---No, definitely not. 14:24:52 43 14:24:53 **44** Presumably that would be something that you would remember 14:24:55 45 if you had have been made aware of it back then?---I'm 14:24:59 46 confident I would remember that. 14:25:00 47

The type of thing you would remember?---Yes, it certainly 14:25:01 1 14:25:03 **2** was. 3 14:25:04 14:25:04 **4** A number of days it seems after you arrived at the Drug 14:25:09 5 Squad, you arrived on 17 July, according to your 14:25:13 **6** statement?---Yes. 14:25:13 **7** 14:25:13 **8** On 21 July Mr Kruger and Mr Lim met with Ms Gobbo again, an 14:25:23 **9** information report has been provided to the Commission, 14:25:28 10 which refers to her in that capacity being an unregistered informer?---Sorry, being a? 14:25:31 11 14:25:34 12 14:25:34 13 An unregistered informer?---Okay. 14:25:36 14 She provides them with information about her employer. 14:25:37 15 The 14:25:43 16 information listed in that information report also refers 14:25:46 17 to a client of her employer for whom she and the employer had been representing. Do you have any, did you have any 14:25:52 18 awareness when you arrived that she was being spoken to in 14:25:58 19 that way?---No. 14:26:01 20 14:26:02 21 14:26:03 22 Did you become aware of that at any stage?---No. 14:26:05 23 14:26:08 24 Mr Kruger was the person responsible for that information 14:26:12 25 report it seems, he signed off on it. There's an indication at the bottom of it that he'd make further 14:26:16 26 14:26:19 27 contact with her and it seems from his diary that he did 14:26:22 28 ring her the next day. And there's also an indication in that information report that he would liaise with someone 14:26:26 29 14:26:30 30 by the name of Karen Hynam at the NCA. Were you aware of any liaison going on with the NCA by members of the Drug 14:26:36 **31** Squad at that stage?---No, I don't recall anything specific 14:26:44 32 14:26:46 33 about that whatsoever. I assume there would be ongoing 14:26:49 **34** liaison with the NCA with the different investigators, but 14:26:53 **35** I have no knowledge of what you refer to. 14:26:55 36 14:26:56 37 Nothing in relation to any investigation into a solicitor at the time?---No, not that - - -14:26:58 **38** 14:27:03 **39** 14:27:07 40 Would you have been concerned yourself about the use of a 14:27:12 **41** solicitor as an informer who is representing members of, or representing people charged by the Drug Squad, would that 14:27:18 **42** 14:27:22 43 have raised any alarm bells with you at the time if you had have known about that?---Yes. 14:27:28 44 14:27:28 45 14:27:29 46 Could you explain why?---I suppose it opens up a multitude 14:27:36 47 of questions about the issues that have been in the media,

1 like confidentiality and privilege from a legal 14:27:40 2 practitioner with their client and those sorts of issues. 14:27:44 3 But for us, including that, but for us it would have 14:27:51 14:27:55 **4** identified to me that this was, our organisation or our 5 unit could be involved with a critical risk here if that 14:28:00 was happening and it was something that I'd have to address 14:28:03 6 14:28:06 7 and brief up or get further advice on, certainly at a 14:28:12 8 higher level, at a higher level. 9 14:28:14 What you're talking about is a higher level than yourself 14:28:15 10 as an Inspector?---Certainly, yes. If I had known that I 14:28:18 **11** 14:28:22 12 would have identified that as a critical risk to the Drug 14:28:25 13 Squad and that I wouldn't have had the legal competence and knowledge to make any decisions on it but obviously I would 14:28:30 14 have referred it for further information if I was made 14:28:36 15 14:28:39 16 aware of that to get advice on it, the propriety of it or 14:28:43 17 the ethics of it. 14:28:45 18 Presumably you would have taken it up the chain above your 14:28:45 19 14:28:49 20 rank of Inspector and also obtained some legal advice as to at least limitations and boundaries upon whatever 14:28:53 21 14:28:56 22 relationship you might have?---Yeah, probably. I mean if 14:29:00 23 what you - if I became aware of what you've just relayed to 14:29:04 24 me, I mean maybe somebody would brief me and that had already been done, but that would be my attitude, I would 14:29:09 25 be wanting to check it out thoroughly for the reasons I've 14:29:12 26 14:29:15 27 outlined. 14:29:16 28 You would have wanted to make sure that all those things 14:29:16 29 had been done in the past if you learnt about it?---Yes. 14:29:19 30 14:29:21 31 14:29:25 32 COMMISSIONER: What legal advice would you have got, where 14:29:28 33 would you have got it from?---Victoria Police, at the 14:29:31 34 Victorian Government Solicitors office within our area, 14:29:35 **35** Sorry, within the Victoria Police, Commissioner. Commissioner, at headquarters, that would be the first port 14:29:39 36 of call I would imagine. 14:29:43 37 14:29:44 38 14:29:45 **39** MS TITTENSOR: At that stage who would have been the 14:29:48 40 hierarchy that you would have elevated it to?---At that 14:29:51 **41** stage, I think you said July 98, it would have been 14:29:55 42 Detective Chief Inspector McCoy who was in charge of three 14:29:58 43 units of the Drug Squad. The next report above him was Detective Superintendent David Newton, he was in charge of 14:30:03 44 14:30:06 45 the Drug Squad and a couple of other squads and then above 14:30:09 46 that it was Commander Lambert. I'm not too sure who the 14:30:15 47 Assistant Commissioner was at the time but matters were

NOTTMAN XXN

1 regularly briefed up, other risk matters or operational 14:30:17 2 matters were briefed up and that would be standard practice 14:30:21 3 for something like that to be briefed up further. 14:30:24 14:30:28 **4** 5 To those three levels above you?---Yes. 14:30:28 14:30:30 6 7 COMMISSIONER: You wouldn't get the legal advice directly 14:30:31 14:30:34 **8** yourself, you'd suggest to your superior that legal advice should be obtained and that it would go up through the 9 14:30:38 ranks, is that how you'd expect it to happen?---Probably, 14:30:42 10 The next rank might say, "You do a briefing 14:30:42 11 Commissioner. paper and CC me, give me a copy and we'll send it to a 14:30:45 12 legal advice officer". It could happen either way, 14:30:50 13 14:30:54 14 Commissioner, yes. 14:30:56 15 14:30:56 16 MS TITTENSOR: You became aware, you'll accept that Ms Gobbo was representing a person that had been charged by 14:30:59 17 14:31:03 18 the Drug Squad , that is on that list before you?---Yes, that's correct. 14:31:08 19 14:31:10 20 You've provided in your first statement you had a 14:31:17 21 recollection of one meeting, is that the case?---That's 14:31:19 22 14:31:22 23 correct. 14:31:22 24 14:31:23 25 And that's an actual recollection that you had?---Yes. 14:31:26 26 14:31:26 27 But you found a number of other references throughout your 14:31:30 28 diary of dealings that you've had in relation to that 14:31:32 29 matter with Ms Gobbo?---That's correct. 14:31:34 **30** 14:31:34 **31** And I'll just take you through those. The first of those 98?---That's correct. 14:31:39 32 was on 14:31:43 33 14:31:46 **34** Mr Strawhorn's diary on that day indicates that he's gone 14:31:50 **35** to the airport to pick up He's then collected 14:31:54 36 from . and brought him back to the office and a briefing was 14:31:59 37 That seems to be in accordance with what's 14:32:02 38 conducted. 14:32:07 **39** written in your diary, although your diary might be a bit 14:32:11 40 briefer as to some of those details, is that right?---Yes, 14:32:14 **41** But I don't have a redacted or a redaction that's correct. 14:32:19 42 in front of me at the moment but yes, that's correct. 14:32:22 43 14:32:22 44 Perhaps if the witness could be provided with a copy of his 14:32:30 45 diaries. 14:32:30 46 14:32:30 47 COMMISSIONER: I think your writing is about as bad as mine

so it might even be helpful if you read out what's there I 14:32:33 1 2 think. 14:32:36 3 14:32:37 14:32:37 **4** MS TITTENSOR: We might not. There are perhaps some other 5 bits that might need to be in terms of the informer 14:32:41 numbers, we might need to further redact I think so does 14:32:45 **6** 7 that simply indicate with and - sorry, I might 14:32:51 14:32:59 **8** have the wrong - there's an extra one. I'm jumping to the In any case, are you able to read out that entry 9 next one. 14:33:04 that you've got without any informer number perhaps?---Yes, 14:33:11 10 there is an entry. I believe it's at 17:00 with 14:33:15 11 14:33:18 12 to café, St Kilda Road, meet and 14:33:22 13 his legal advisor and - - -14:33:25 14 Has it got?---Ms Gobbo and then I've crossed it out and I'm 14:33:26 15 14:33:32 16 not sure - so I'm not sure whether she was part of that 14:33:35 17 meeting or not, I've got no - I can't recall why I've 14:33:39 18 crossed it out. 14:33:40 19 14:33:40 20 As per IR?---That's correct. 14:33:42 21 14:33:42 22 It seems there might have been an information 14:33:45 23 report?---That's correct. 14:33:46 24 17:00, a meeting at it seems 5 o'clock. 14:33:49 25 14:33:55 26 14:33:56 27 COMMISSIONER: And it says expenses \$39, does it?---That's 14:34:03 28 correct, Commissioner. 14:34:03 29 14:34:03 30 MS TITTENSOR: There was it seems a trip following that on 16 December, this is not recorded in your diary, or at 14:34:06 **31** least what we have, by Ms Gobbo, Mr Strawhorn 14:34:10 32 14:34:15 33 ?---Yes. 14:34:17 34 14:34:17 35 Do you have any recollection of that occurring?---No recollection except I noticed that when I read my old 14:34:21 36 14:34:24 **37** diaries. 14:34:25 **38** 14:34:25 **39** There's some reference to it in some subsequent entries - -14:34:29 40 - ?---Exactly what you said, yes. 14:34:31 **41** Your next diary entry is on, relates to 6 January 14:34:31 42 14:34:38 43 1999? - - - Yes. 14:34:39 44 14:34:39 45 I'm not going to read all of that out, perhaps there might 14:34:44 46 need to be some, in case there needs to be some further 14:34:48 47 redacting, but essentially is that a conversation that

you've had with Michael Drury?---That's correct. 14:34:51 1 14:34:54 **2** 14:34:55 **3** It relates to Mr Strawhorn and solicitor, who I take to be 14:35:01 **4** Ms Gobbo, coming up with the informer?---Yes, I'm assuming that's Ms Gobbo too but I don't recall. 14:35:07 5 14:35:10 **6** 14:35:11 **7** He tells you about the plan that they have in relation to the informer?---That's correct. 14:35:15 **8** 14:35:17 9 And there's some reference down the bottom to the 14:35:19 10 informer's driver's licence?---That's correct. 14:35:22 **11** 14:35:24 12 14:35:31 **13** Following that we understand that Ms Gobbo spoke to Mr Drury and that that related to his speaking with Wayne, 14:35:37 14 Mr Strawhorn, about an explanation of a land transaction. 14:35:44 **15** 14:35:49 **16** Do you have any recollection of there being any inquiry in 14:35:53 17 relation to a land transaction going on? It may have related to Solicitor 1?---No, I have no recollection of 14:35:58 18 that. 14:36:02 19 14:36:03 20 She also spoke to Mr Drury at that stage about her client's 14:36:05 21 licence?---This is on 6 January still? 14:36:11 22 14:36:15 **23** 14:36:15 24 That was on 18 January. You've got a note then on 20 14:36:22 25 January about a conversation that you have with Ms Gobbo, is that right?---Yes, that's correct. 14:36:26 26 14:36:30 27 14:36:31 28 And that's a conversation in which she indicates she wants 14:36:34 **29** an adjournment?---That's correct. 14:36:36 30 14:36:37 **31** Presumably in relation to her client that you'd been dealing with?---Yes, I believe so, yes. 14:36:40 32 14:36:42 33 14:36:42 **34** And following that you spoke to Mr Strawhorn?---That's 14:36:46 **35** correct. 14:36:46 36 14:36:46 **37** Who indicated that that wouldn't be a problem and that 14:36:51 38 Mr Kruger - sorry. 14:36:53 **39** 14:36:53 **40** COMMISSIONER: Strike that from the record, thank you. 14:36:55 **41** 14:36:56 42 MS TITTENSOR: Mr Kruger would contact the OPP?---Yes. 14:36:58 43 14:37:07 **44** You have diary entries thereafter about - sorry, on 27 14:37:16 45 January we have a note indicating that Ms Gobbo spoke to 14:37:20 46 you about the address on her client's licence, there was 14:37:26 47 some concern about that, is that right?---Yes.

Mr Strawhorn in June of 2000?---Yes. I mean the dates go 14:40:03 1 14:40:11 **2** back 20 years, I'm not - I don't specifically recall the 14:40:15 **3** date for 20 June but the date's got a diary entry which 14:40:20 **4** indicates to me it was probably the date that we went and had a coffee down the road. 14:40:23 5 14:40:24 6 14:40:24 7 You have a specific recollection of Mr Strawhorn being at 14:40:28 **8** the meeting with you?---I do have a specific recollection It was the only recollection I had until I 14:40:30 **9** of that, yes. 14:40:33 10 went back through my diaries. 14:40:34 **11** 14:40:40 12 Your recollection of that meeting, again, it's not a 14:40:46 13 fulsome recollection?---It's not? 14:40:49 14 It's not a full recollection of everything that occurred at 14:40:50 15 14:40:53 16 that meeting?---No, certainly not. 14:40:55 17 14:40:55 18 Do you recall whether it related to drug matters?---No, I don't recall. 14:40:59 19 14:41:00 20 Do you recall whether it possibly related to fraud 14:41:00 21 matters?---No, I don't - no, I don't recall. 14:41:05 22 14:41:10 23 14:41:11 24 Were you aware that in May of 1999 that Ms Gobbo was introduced by Mr Strawhorn and Mr Kruger to the, to members 14:41:19 25 of the Asset Recovery Squad?---No, I wasn't aware of that 14:41:26 26 14:41:30 27 at that time from my recollections. 14:41:32 28 14:41:32 **29** Is that something that you would expect that they would 14:41:35 30 have let their superiors know they were doing?---Um, Probably. But I probably wasn't his superior at 14:41:45 **31** probably. There was probably a different chain of 14:41:48 32 that time either. 14:41:53 33 command he had at that time. 14:41:55 34 14:41:55 35 Your recollection of the June of 2000 meeting is that Mr Strawhorn thought she might be a useful contact in the 14:42:00 36 14:42:04 37 legal fraternity?---Yes, that was my recollection, that it was - yes. 14:42:08 38 14:42:10 **39** 14:42:10 **40** What gave you that impression?---Just, um, no, look, I 14:42:25 **41** can't recall now specifically why. I specifically remember 14:42:32 42 there was nothing in relation to discussing criminal 14:42:35 **43** activities of her clients and being a human source but I've 14:42:41 **44** just got a really vague recollection that Strawhorn just 14:42:44 **45** thought it was useful to keep in touch, a vague 14:42:48 46 recollection, yes. 14:42:49 47

So cultivating a source of information perhaps?---No, if it 14:42:50 **1** 14:42:54 **2** had gone to that - that's a different level from my 14:42:58 **3** It was more of a social outlet with someone perspective. 14:43:02 **4** involved in the criminal justice system. 14:43:05 **5** The conversation that was had then at that meeting was not 14:43:06 **6** 14:43:11 **7** in relation to any specific case that was being handled by 14:43:15 **8** the Drug Squad?---Not that I recall, no, and I believe I would have made some notations in my diary if it had been 14:43:20 9 14:43:24 10 expanded on any further, as I have in previous times. 14:43:27 **11** 14:43:27 12 So it was a conversation more in the nature of general 14:43:31 13 chitchat?---That's my recollection, yes. 14:43:33 14 14:43:40 15 I take it in relation to some of the training that you've 14:43:43 16 received over time that something like the right to silence 14:43:47 **17** of an accused is something you were taught from the early 14:43:50 18 days of your recruitment?---That's correct. 14:43:53 19 14:43:54 20 It's something that's in the rights that are given to a person immediately upon their arrest?---That's correct. 14:43:58 21 14:44:01 22 14:44:01 23 And likewise not long thereafter they're told about their 14:44:04 24 right to a lawyer or legal representation?---Yes. 14:44:07 25 14:44:07 26 When that occurs, when they exercise that right, that's 14:44:11 27 something that occurs in private so that they can give full 14:44:16 28 and frank disclosure to their lawyers and the police can't 14:44:20 29 overhear what's going on?---Exactly. 14:44:22 30 14:44:24 **31** Do you recall being given any training at any stage in 14:44:28 32 relation to legal professional privilege?---Not 14:44:33 **33** specifically but I do recall at Detective Training School and Advanced Detective Training School and probably 14:44:37 **34** 14:44:42 35 sub-officers course those sorts of issues were discussed. I can't specifically recall what it was exactly but it was 14:44:46 36 quite clear to us during that training that there are 14:44:50 **37** obligations in relation to those issues. 14:44:57 **38** 14:44:59 **39** 14:44:59 40 I take it when you're dealing with an area like the Drug 14:45:02 **41** Squad where they're using telephone intercepts and 14:45:05 42 listening devices, precautions are put in place when 14:45:09 43 accused are overheard speaking with lawyers and so forth so 14:45:13 **44** that that kind of evidence is isolated?---Can you say that, 14:45:18 45 ask that question again? 14:45:19 46 14:45:20 47 When you're dealing with drug investigations often there is

1 the use of listening devices or telephone intercepts. 14:45:24 If 2 those devices would capture things that might be regarded 14:45:28 14:45:33 3 as legal professional privilege, for example, a target 14:45:36 **4** speaking with a lawyer, are there mechanisms put in place 5 so that that material is isolated and not used?---Look I 14:45:42 can't remember that specifically happening and what the 14:45:47 6 14:45:50 **7** process was but to me going back then, there would be 14:45:57 **8** clear-cut decision to be made if it wasn't at lower levels 9 by my level that that had to be secured and then getting 14:46:03 14:46:06 10 legal advice in relation to - - -14:46:09 11 14:46:09 12 Do you recall throughout your career getting any, at 14:46:14 13 Victoria Police getting any training in relation to obligations of disclosure?---Yes, again at those courses 14:46:16 14 I've just mentioned those types of issues were discussed 14:46:23 15 14:46:27 16 and then with brief preparation on those types of issues. I can't specifically remember what specific training there 14:46:35 17 14:46:38 18 was, but brief preparation was disclosure obligations. 19 14:46:43 20 Where there were public interest immunity issues arising, so, for example, you've got some material that ordinarily 14:46:46 21 14:46:50 22 might, or the accused would be entitled to have disclosed 14:46:53 23 to them but there's a public interest issue, what would you 14:47:00 24 do about that?---I can't recall it happening at the Drug Squad, it did at the National Crime Authority. 14:47:04 25 We'd seek legal advice and have counsel briefed to represent us, seek 14:47:07 26 14:47:11 27 legal advice in the first instance and that would have been 14:47:14 28 done through the Victorian Government Solicitors at the VPC 29 headquarters. 30 14:47:20 **31** You wouldn't simply put that aside and not tell anyone 14:47:24 32 about it and not get any advice?---No. 14:47:27 33 14:47:36 **34** You were involved in a review of Operation Kayak, is that 14:47:40 35 right?---Yes, that's correct. 14:47:41 36 14:47:42 **37** And that review I take it occurred because of some serious corruption issues that had occurred within the Drug 14:47:45 **38** 14:47:48 39 Squad?---That's correct. 14:47:49 **40** 14:47:49 **41** And a number of members were involved with the informer 14:47:55 **42** that was being used in that operation?---Yes. 14:47:59 **43** 14:48:01 **44** Such that they were charged with some drug offences themselves?---Yes. 14:48:04 **45** 14:48:05 46 14:48:09 47 We understand that Mr Paton resigned from the police on 22

December 2000?---Look I don't recall the date but yes, I 1 14:48:15 14:48:19 **2** accept that. 3 14:48:20 14:48:20 **4** Mr Rosenes was charged in late July of 2001?---Yes. 5 14:48:25 And that your review, according to your statement, occurs 14:48:25 **6** 14:48:28 7 in August of 2001?---That's correct. 14:48:31 **8** And late that month there are charges against Mr Mokbel and 9 14:48:32 others in relation to Operation Kayak?---I don't recall 14:48:37 10 specific dates for that. 14:48:41 **11** 14:48:44 12 14:48:47 13 Did your review involve looking at the diary entries of people involved in that operation?---No, I don't think so, 14:48:51 14 not from memory. 14:48:55 15 14:48:56 16 14:48:59 17 There's just one diary entry of Mr Strawhorn that I just 14:49:02 18 wanted to ask you about. In December of 2000 it seems the operation, the investigation is still underway, there 14:49:09 19 14:49:12 20 hadn't been any charges to that point, at least not against Mr Mokbel or major targets, but there were some discussions 14:49:16 21 at that stage happening with the OPP?---Yes, that 14:49:21 22 14:49:26 23 investigation wasn't under my direct control except for 14:49:28 24 what I've said in my statement that I had an overall appreciation of it so I'm not too sure. 14:49:32 25 I can't answer 14:49:35 26 that question. 14:49:36 27 14:49:36 28 In amongst some meetings that Mr Strawhorn has on 11 December 2000 in relation to Operation Kayak, he goes, for 14:49:39 29 14:49:44 30 example, to the OPP and then later has a meeting with AFP 14:49:49 **31** technicians and surveillance all in relation to Kayak. In 14:49:54 32 between those two meetings he has an entry relating to 14:50:00 33 meeting barrister Gobbo re Kayak. Do you have any 14:50:03 **34** recollection that Ms Gobbo had any involvement during the 14:50:07 35 course of the investigation of Kayak?---No, I haven't got any recollection of that. 14:50:11 36 14:50:12 **37** Can you shed any light on why Mr Strawhorn might have been 14:50:13 **38** 14:50:17 39 meeting with her during the ongoing investigations?---No. 14:50:20 40 14:50:21 **41** Thank you, Commissioner. 14:50:24 42 14:50:24 43 COMMISSIONER: Any cross-examination? Yes Mr Nathwani. 14:50:29 44 <CROSS-EXAMINED BY MR NATHWANI: 45 46 14:50:30 47 Can I just start with your second statement, please,

because I'm just highlighting your contact with Ms Gobbo. 14:50:33 1 14:50:36 **2** 3 COMMISSIONER: Just to be clear, that's the 29 April one or 14:50:37 14:50:41 **4** the 1 May one? 14:50:43 **5** 14:50:44 **6** MR NATHWANI: 1 May one, so 92C. Sorry, my fault. You by 14:50:48 **7** this stage had the benefit of your diary and you record at paragraph 4 seven contacts with Ms Gobbo?---Yes. 14:50:51 **8** 9 And it's right to say, isn't it, all of those contacts were 14:50:57 10 in relation to her representation of Person 2?---That's 14:51:00 11 14:51:04 12 correct. 14:51:04 13 And Person 2 who of course was in a position seeking 14:51:04 14 assistance and instructing her to help you as far as you 14:51:10 **15** 14:51:13 **16** could see?---Yes, that's right, exactly. 14:51:17 **17** You were asked prior to that to give us your statement 14:51:17 **18** which you have of 29 April, so your first statement, and 14:51:20 19 without the benefit of your diaries you could only recall 14:51:23 20 the one time that you'd met Ms Gobbo?---That's correct. 14:51:29 21 14:51:33 22 14:51:33 23 That was on an occasion you believe to be in June 14:51:38 24 2000?---That's correct. 14:51:38 25 And your memory when being asked to recall it was not just 14:51:38 26 14:51:43 27 that it was unremarkable, but you go further, don't you? 14:51:47 28 Am I right in saying, and this is still your memory, that you were certain that Ms Gobbo as a person did not provide 14:51:50 29 14:51:53 30 any information about criminal activities of her clients or 14:51:56 **31** any other person and there was no discussion about it?---That's correct. 14:52:00 32 14:52:01 33 14:52:01 34 So as far as you were concerned your contact with Ms Gobbo 14:52:06 **35** certainly in that early stage in relation to what the Commission is considering, is that she never provided any 14:52:09 36 information on her clients where you were present, 14:52:12 **37** agree?---That's correct. 14:52:15 **38** 14:52:16 **39** 14:52:17 **40** Insofar as Operation Kayak is concerned, again you have not 14:52:28 **41** seen any diary entries or other entries to assist, have 14:52:31 42 you, with what Mr Strawhorn was meeting her in relation 14:52:34 **43** to?---No, I don't recall ever seeing any. 14:52:37 44 It's right to say in your review of Operation Kayak that 14:52:38 45 14:52:43 46 Mr Strawhorn, because we know that he was one of those 14:52:46 47 officers eventually charged with corruption and served a

prison sentence, his conduct caused difficulties in 14:52:49 1 14:52:53 2 relation to the actual prosecution of Mr Mokbel and his 3 trial, can you confirm that?---I can't - I'm not aware. 14:52:57 14:53:00 4 5 You're unaware that the proceedings there were delayed 14:53:01 6 because of the allegation of corrupt police officers being 14:53:04 involved in the prosecution both by the Commonwealth and 7 14:53:07 14:53:11 8 Victoria Police in relation to Mr Mokbel?---Yes, I can't recall what impact the arrests of members had on that 9 14:53:19 14:53:23 10 prosecution. 14:53:23 **11** 14:53:23 12 Thank you. 14:53:26 13 Did you see any socialising between Nicola 14:53:28 14 COMMISSIONER: Gobbo and Victoria Police officers?---No, Commissioner, but 14:53:32 15 14:53:35 16 I quess to a certain extent that coffee had a, my 14:53:39 17 interpretation we had a sort of a social, 14:53:44 18 professional/social type of thing and that was all, the only time. 14:53:46 19 14:53:46 20 You didn't see it happening with 14:53:46 21 That you saw. others?---No, Commissioner, no. 14:53:50 22 14:53:52 23 14:53:52 24 In particular with Jeff Pope?---I don't even know if I know 14:53:56 25 him other than the media reports, no, Commissioner. 14:54:01 26 14:54:01 27 Yes. Are you finished? 14:54:04 28 14:54:05 29 MS TITTENSOR: Yes, Commissioner. 14:54:06 30 14:54:06 **31** COMMISSIONER: Any re-examination? 14:54:08 32 14:54:08 33 MS ENBOM: No re-examination. 14:54:09 34 14:54:09 35 COMMISSIONER: Thank you very much Mr Nottman, you're free to go?---Thank you Commissioner. 14:54:13 36 37 38 (Witness excused.) 39 14:54:16 **40** <(THE WITNESS WITHDREW) 14:54:16 **41** COMMISSIONER: 42 So where are we going now? 43 14:54:16 **44** MS TITTENSOR: I have a statement of David Justin Foster to 14:54:20 45 tender. 14:54:21 46 COMMISSIONER: 14:54:21 47 It's signed, is it?

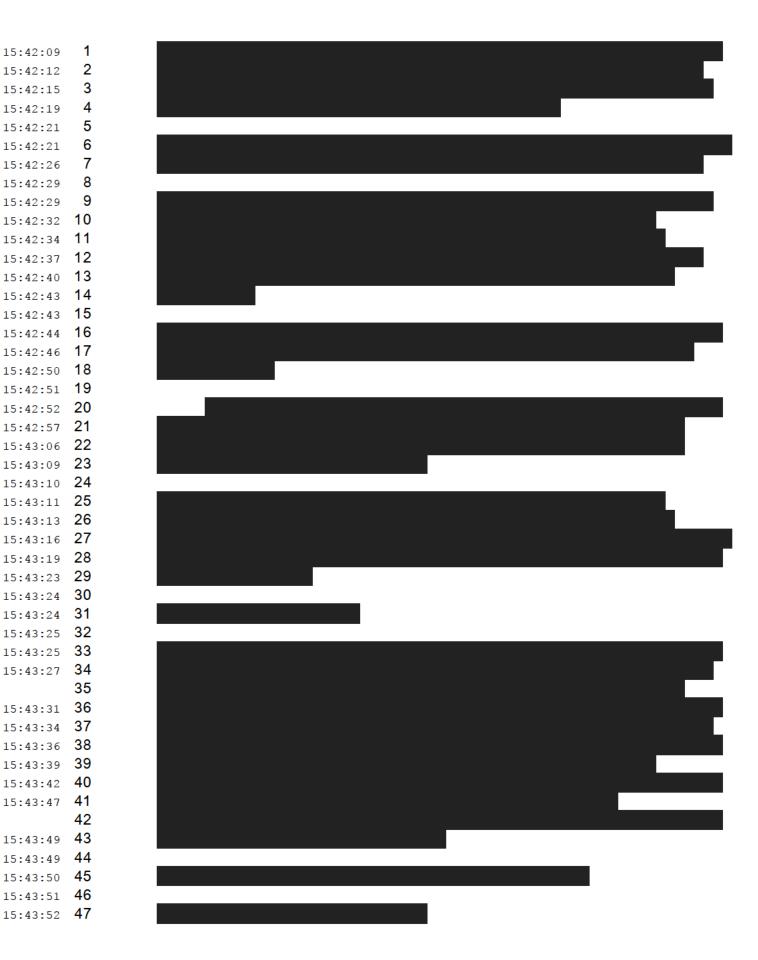

14:54:23 1 2 MS TITTENSOR: No, the copy I have isn't signed and I don't 14:54:24 3 have a code number. 14:54:28 4 14:54:30 COMMISSIONER: 5 Is there a signed statement? 14:54:31 14:54:33 6 7 MR HOLT: I'll have those inquiries eventually made, 14:54:33 8 Commissioner. 14:54:37 9 14:54:37 MS TITTENSOR: I'll hold off with that tender until we get 14:54:37 10 a signed statement, Commissioner. 14:54:41 **11** 14:54:43 12 COMMISSIONER: I think so. All right then. 14:54:43 13 14:54:44 14 I think whilst I've been on my feet, MS TITTENSOR: 15 14:54:45 Commissioner, we've received a statement that we've been 14:54:48 16 Perhaps if we might stand down to see if we'll 17 14:54:54 waiting on. call on that witness this afternoon. 14:55:00 18 14:55:02 19 14:55:02 20 COMMISSIONER: Right, all right. And there's some other things we might be able to usefully do. 21 I have been handed 14:55:05 14:55:10 22 a number of documents. I understand there's some dispute, I suppose is the right word for it, between Victoria Police 23 14:55:14 14:55:20 24 and the Commission as to the redactions that should be made to some transcripts and so forth so it's probably best that 14:55:24 25 we deal with those and they'll probably need to be dealt 14:55:27 26 14:55:30 27 with in - it will probably be easier to deal with that in a 14:55:34 28 closed hearing I imagine. 14:55:35 29 Commissioner, probably but I haven't been made 14:55:36 30 MR HOLT: 14:55:37 **31** aware of the particular dispute and it might be that it can 14:55:41 32 just be resolved between counsel. 14:55:43 **33** 14:55:43 **34** COMMISSIONER: It might. It might take a while. 14:55:44 35 MR HOLT: I don't want to waste the Commission's time. 14:55:45 36 14:55:47 **37** It might take a while exactly but I'm a bit 14:55:47 **38** COMMISSIONER: 14:55:50 39 sick of having these disputes come up so I thought it might 14:55:54 40 be easier if the Commission resolves them. But anyway, it 14:56:00 41 relates to a letter to, from Daniel Marquet to the 14:56:08 42 Commission's solicitors on 20 April about some of Mr Pope's 14:56:12 43 exhibits which were placed before the Commission guite some And then yesterday's transcript I think is 14:56:17 **44** time ago now. 14:56:25 45 the other material. So perhaps you can have a look at that 14:56:28 46 and see whether we need to - - -14:56:30 47

If we can, Commissioner. 1 MR HOLT: I wasn't aware that the 14:56:30 2 Pope issue was still live. Certainly the transcript one 14:56:34 I'm happy to deal with but I haven't had a chance with the 3 14:56:41 time available. 14:56:42 **4** 5 14:56:42 COMMISSIONER: 6 Thank you. All right then, we'll have a 14:57:04 short break until I hear something more. 14:57:06 **7** 14:57:12 8 (Short adjournment.) 9 14:57:12 10 COMMISSIONER: Yes, Mr Woods. 15:34:50 11 15:34:53 12 15:34:53 **13** MR WOODS: Your Honour, there's been an application in relation to the next witness. Counsel assisting's position 15:34:55 14 is that the proposed order is agreed, which is simply to 15:34:57 15 the effect that the - - -15:35:00 16 15:35:02 17 COMMISSIONER: I don't think it can be agreed actually. 15:35:02 **18** 15:35:04 19 MR WOODS: 15:35:04 20 Sorry. 15:35:05 21 COMMISSIONER: It really needs me to make a judgment on it. 15:35:05 22 15:35:08 23 15:35:09 24 MR WOODS: Sorry, Commissioner, I'm saying in my submission 15:35:11 25 that the proposed order as to the image and the actual place of work of the individual - - -15:35:15 26 15:35:18 27 15:35:18 28 COMMISSIONER: You're not opposing the application? 15:35:20 **29** 15:35:21 30 Not opposing it in those terms and that's the MR WOODS: 15:35:24 **31** breadth of the order as it stands. 32 33 COMMISSIONER: Thanks you. And, Ms Pierce, you're 15:35:32 **34** appearing? No? 15:35:32 **35** MS ARGIROPOULOS: Sorry, Ms Argiropoulos, I appear on 15:35:33 **36** behalf of the witness and Victoria Police. 15:35:34 **37** 15:35:35 **38** 15:35:35 **39** COMMISSIONER: Thank you. You're bringing the application. 15:35:38 40 15:35:39 **41** MS ARGIROPOULOS: Yes, that's correct. 15:35:39 42 15:35:40 **43** COMMISSIONER: For orders sought in the draft order but 15:35:42 44 you're now no longer seeking the request for a pseudonym. 15:35:47 45 15:35:48 46 MS ARGIROPOULOS: That's correct. 15:35:49 47

And I think that was a sensible decision on 1 COMMISSIONER: 15:35:49 15:35:51 2 the material before the Commission. 3 15:35:54 15:35:55 **4** MS ARGIROPOULOS: I can hand up a revised draft order which 5 seeks effectively orders with respect to his image and 15:35:57 15:36:00 **6** current work location. 15:36:03 7 15:36:04 8 COMMISSIONER: That would be good, thank you. 9 15:36:04 MS ARGIROPOULOS: 15:36:06 10 As I understand it that position is I also read the 15:36:08 11 agreed to by counsel assisting. confidential affidavit of Detective Acting Superintendent 15:36:13 12 Chris Murray which is relied on in support of that 15:36:17 **13** Does the Commissioner have a copy of that 15:36:19 14 application. available? 15:36:22 15 15:36:22 **16** 15:36:23 17 COMMISSIONER: Yes, that should be given to my Associate and the affidavit will be Exhibit 1 in the application. 15:36:25 18 15:36:28 19 #EXHIBIT 1 - Affidavit and written submission. 15:36:28 20 15:36:29 21 Placed in a sealed envelope marked "not to 15:36:30 22 COMMISSIONER: 15:36:33 23 be opened except by order of the Commissioner". 15:36:35 24 15:36:36 25 MS ARGIROPOULOS: Finally, there is a very brief written submission which has been prepared which I can hand up as 15:36:41 26 15:36:43 27 part of the materials. 15:36:44 28 15:36:44 29 That can be part of Exhibit 1 in this COMMISSIONER: 15:36:47 30 application. It can also go in the sealed envelope and 15:36:49 **31** I've read that material. Thank you. I'm satisfied that there are sound reasons under s.26(1) for making the 15:36:53 32 15:36:56 **33** following orders: 15:36:57 **34** 15:36:59 35 Pursuant to s.26 of the *Inquiries Act* the public streaming of the evidence of the Victoria Police member the subject 15:37:21 **36** 15:37:23 **37** of this order not include his image and current work location and duties. Publication is prohibited of any 15:37:29 **38** 15:37:32 **39** material that would identify the Victoria Police member the 15:37:34 40 subject of this order or enable his image and current work 15:37:37 **41** location and duties to be ascertained. The written submission and confidential affidavit provided to the Royal 15:37:43 **42** 15:37:44 **43** Commission - I've already made that order, I'll take that The name of Victoria Police member can be accessed on 15:37:47 **44** out. request by accredited media from the solicitors assisting 15:37:51 **45** 15:37:54 46 the Royal Commission and otherwise an application to the 15:37:56 **47** Commission. A copy of this order is to be posted on the

door of the hearing room and the rooms into which the 15:37:59 1 2 hearing is being transmitted. 15:38:02 15:38:06 3 15:38:07 **4** MS ARGIROPOULOS: I beg your pardon, Commissioner. The 5 reference there to the name being available on application 15:38:09 is actually no longer necessary because the name is not to 15:38:11 6 7 be suppressed. 15:38:14 15:38:15 **8** That's right, it isn't, is it? We'll take 9 COMMISSIONER: 15:38:15 15:38:20 10 that out as well. So take that out and revise that. So it will just be order 1 and then order 2, that is that the 15:38:22 11 15:38:26 12 copy of the order be posted. 15:38:28 13 Would it be of assistance if we prepared MS ARGIROPOULOS: 15:38:28 14 an electronic version of the ordering in those terms? 15:38:31 15 15:38:36 16 15:38:37 **17** COMMISSIONER: Would it be of assistance or are you able to 15:38:38 **18** do it just as quickly? An electronic version would be very good, thank you. 15:38:43 19 15:38:44 20 MS ARGIROPOULOS: Yes, we'll attend to that, Commissioner, 15:38:44 21 15:38:46 22 thank you. 15:38:46 23 15:38:46 24 COMMISSIONER: Thank you. 15:38:48 25 MS ARGIROPOULOS: Before the next witness is called there's 15:38:48 26 15:38:50 27 just one further matter I'd just seek to raise with the 15:38:53 28 Commissioner and that is that there are two persons who are referred to in the statement of Mr Bartlett who have been 15:38:57 29 described as Person 7 and Person 8. I've discussed with 15:39:01 30 15:39:08 **31** counsel assisting the identity of those persons. 15:39:11 32 15:39:12 **33** COMMISSIONER: Yes. 15:39:12 **34** 15:39:14 **35** MS ARGIROPOULOS: I obviously don't want to identify them 15:39:15 **36** orally in open court. 15:39:17 **37** No, I'm sure. Would you like Exhibit 81 so 15:39:18 **38** COMMISSIONER: 15:39:20 **39** you can add that to Exhibit 81? 15:39:23 40 15:39:23 **41** MS ARGIROPOULOS: Yes, thank you. 15:39:24 42 15:39:24 **43** COMMISSIONER: Excellent. Could you give Ms Argiropoulos 15:39:35 44 Exhibit 81, please. Did the former witness take it away with him? No, where is it Exhibit 81? It's still here. 15:39:40 45 15:39:45 46 15:39:46 47 MR WOODS: I'm just adding those names to it, Commissioner.

15:39:48 1 2 COMMISSIONER: All right. 15:39:49 15:40:12 3 15:40:13 **4** MR WOODS: I'll just attend to that. Those are recorded as 5 Person 7 and Person 8 as per the request. 15:40:14 15:40:16 6 15:40:16 7 COMMISSIONER: Would you just show that to Ms Argiropoulos, 15:40:19 **8** please, make sure she's happy with that. 9 15:40:24 MS ARGIROPOULOS: Yes, that's correct. 15:40:25 10 Thank you, 15:40:26 **11** Commissioner. 15:40:26 12 COMMISSIONER: 15:40:27 13 Thanks Ms Argiropoulos. We might need to be adding pages to that list before long. 15:40:30 14 15:40:36 15 15:40:37 **16** MR WOODS: Commissioner, in relation to Mr Bartlett, I've 15:40:40 17 just been handed his diaries. We had five entries that 15:40:46 **18** were provided a little while ago and we've just been handed 15:40:50 **19** a further nine entries that are referred to in the 15:40:53 20 statement. I'd like an opportunity to read those and I think there's some issues regarding redactions that might 15:40:56 21 be attended to in the meantime if that's convenient. 15:40:59 22 15:41:01 23 That is before he's called and his 15:41:02 24 COMMISSIONER: Yes. Would you like to do the other 15:41:05 25 statement is tendered. matters now? 15:41:08 26 15:41:09 27 15:41:10 28 MR WOODS: If that's possible I'd appreciate it. 15:41:11 **29** COMMISSIONER: 15:41:12 30 That should be suitable. We can deal then 15:41:15 **31** usefully I think with the redaction issues in the 15:41:17 **32** transcript and some exhibits that were tendered some time I think we'll close the court for that discussion, 15:41:21 33 before. 15:41:28 **34** close the hearing room, rather, for that discussion. So I 15:41:31 35 order that under the *Inquiries Act* the hearing room is closed for a short time to everyone except the legal 15:41:36 **36** 15:41:40 **37** representatives. I think it only relates to the public hearings yesterday so I think Ms Gobbo's legal 15:41:50 **38** 15:41:54 **39** representatives can stay. 15:41:55 40 15:41:55 **41** MR WOODS: Yes, Commissioner. 15:41:57 **42** 15:41:58 **43** COMMISSIONER: And I direct that a copy of this order be 15:42:00 44 posted on the hearing room door. 45 (IN CAMERA PROCEEDINGS FOLLOW) 46 47
